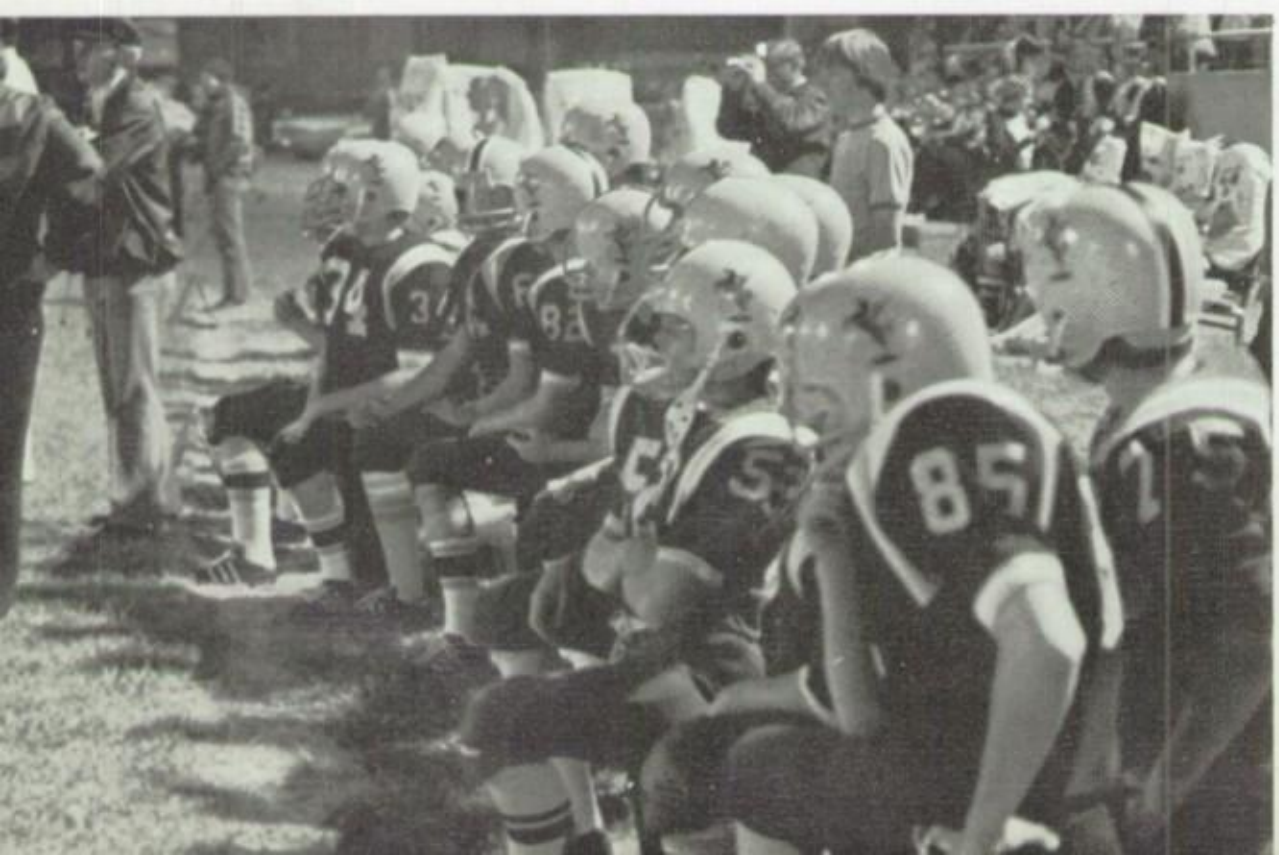
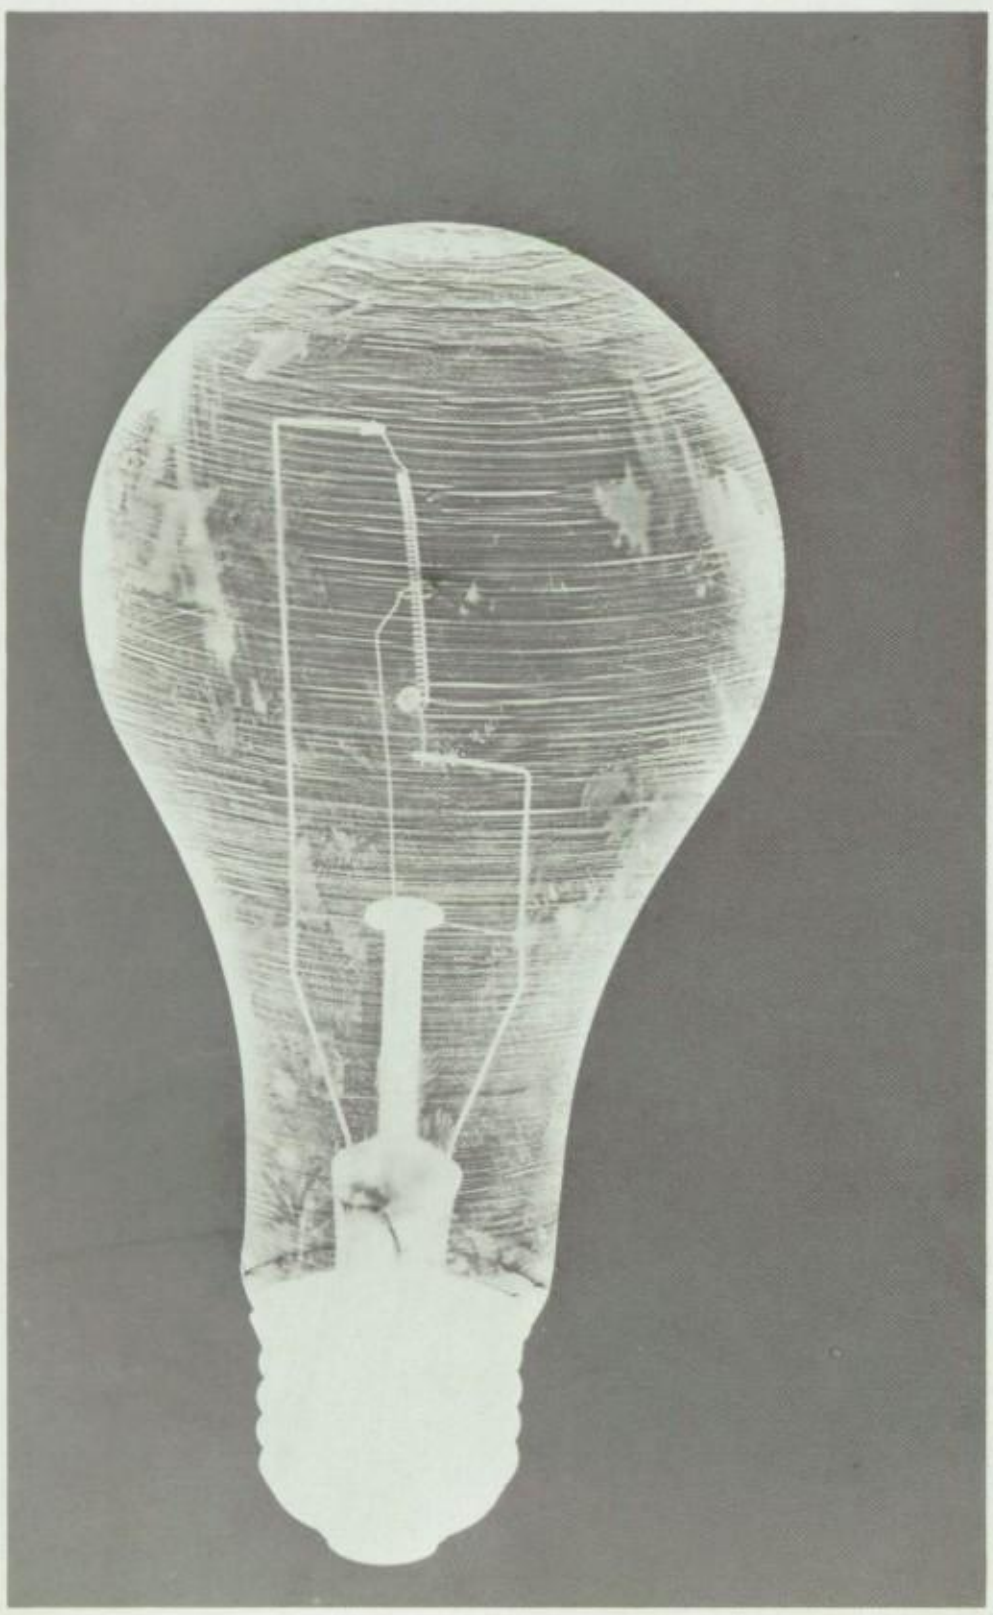
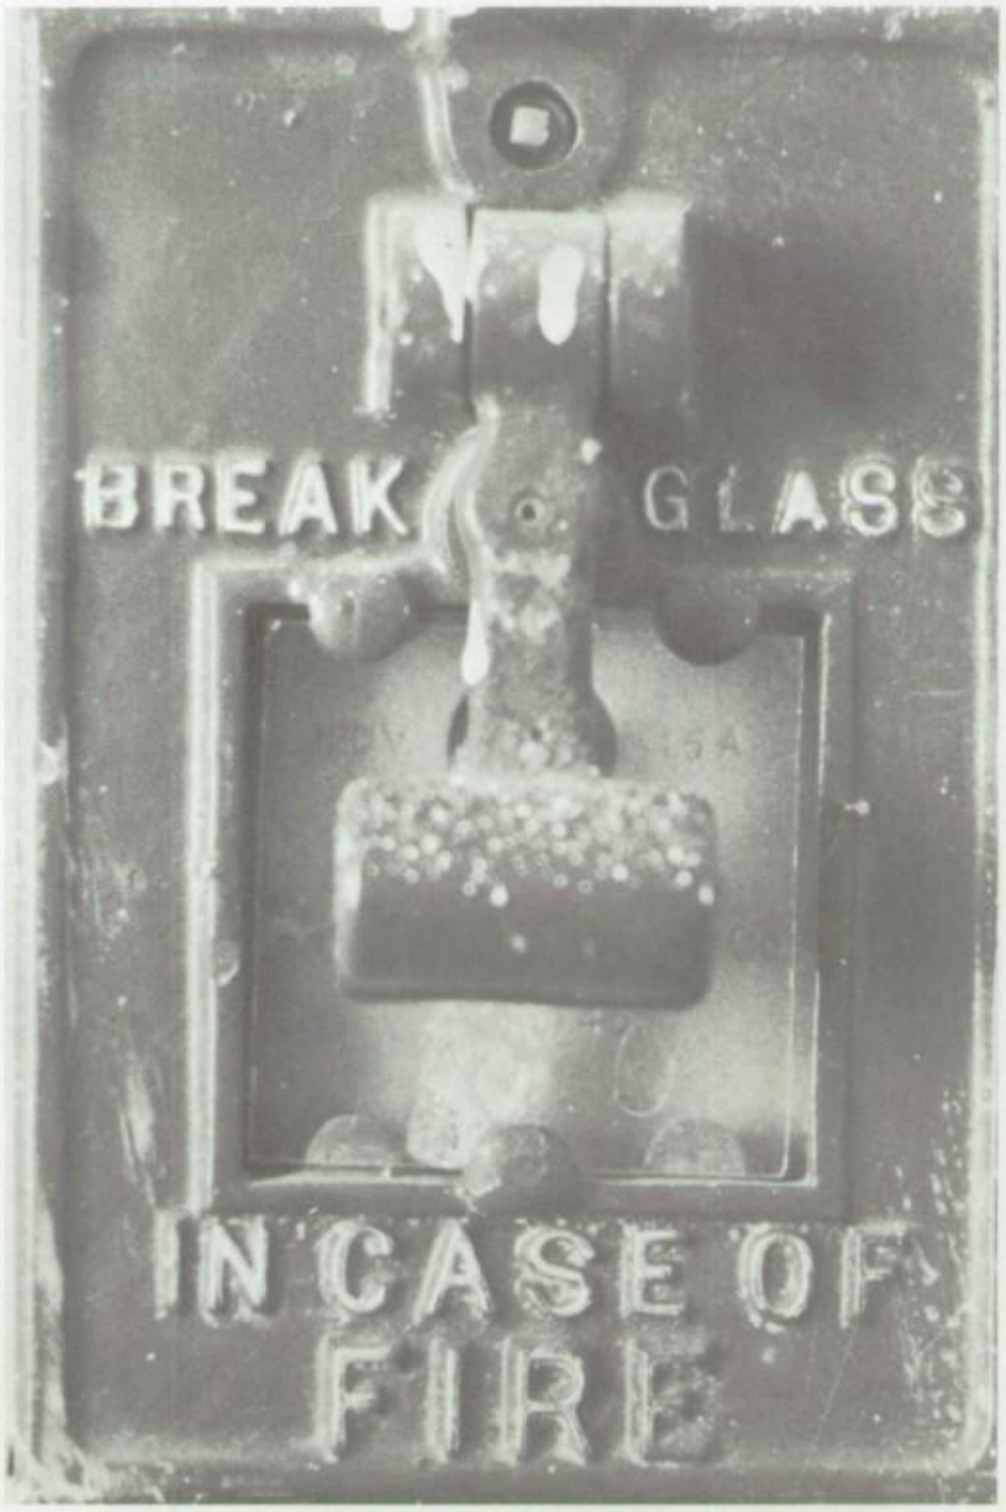
LOOK UP, AMERICA

Look Up, America,
see what we've got,





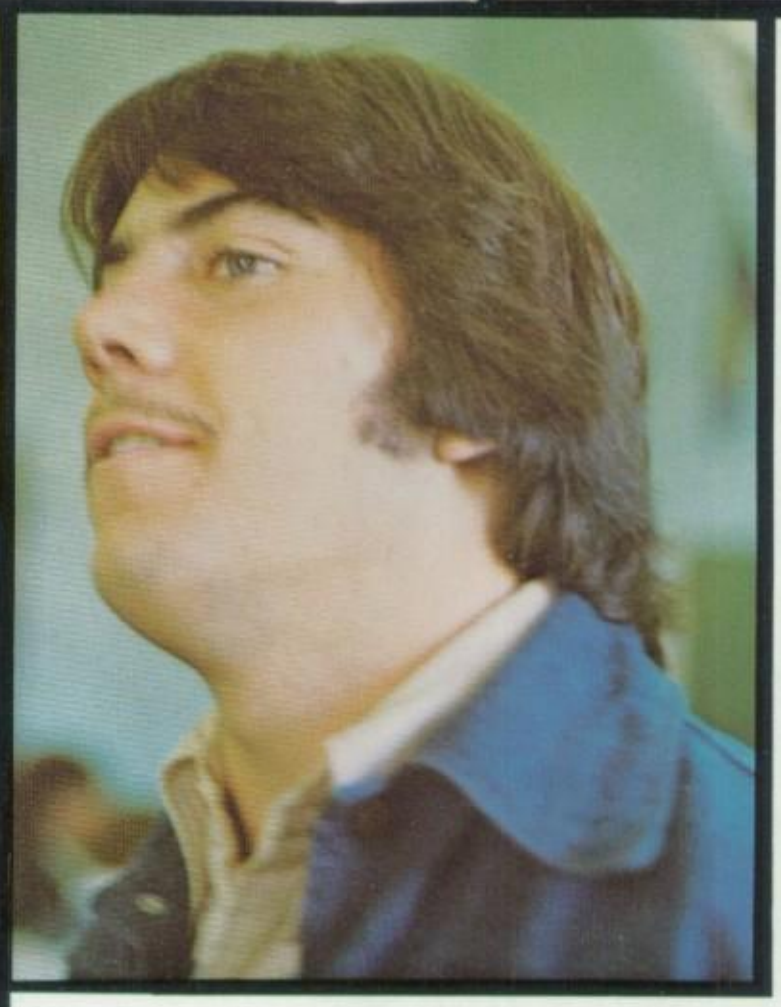
A million blessings
for the counting.

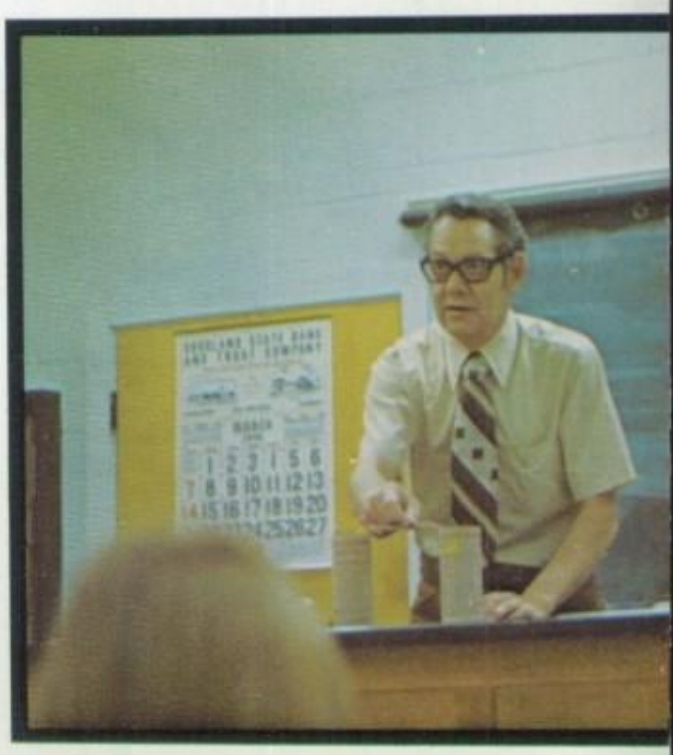


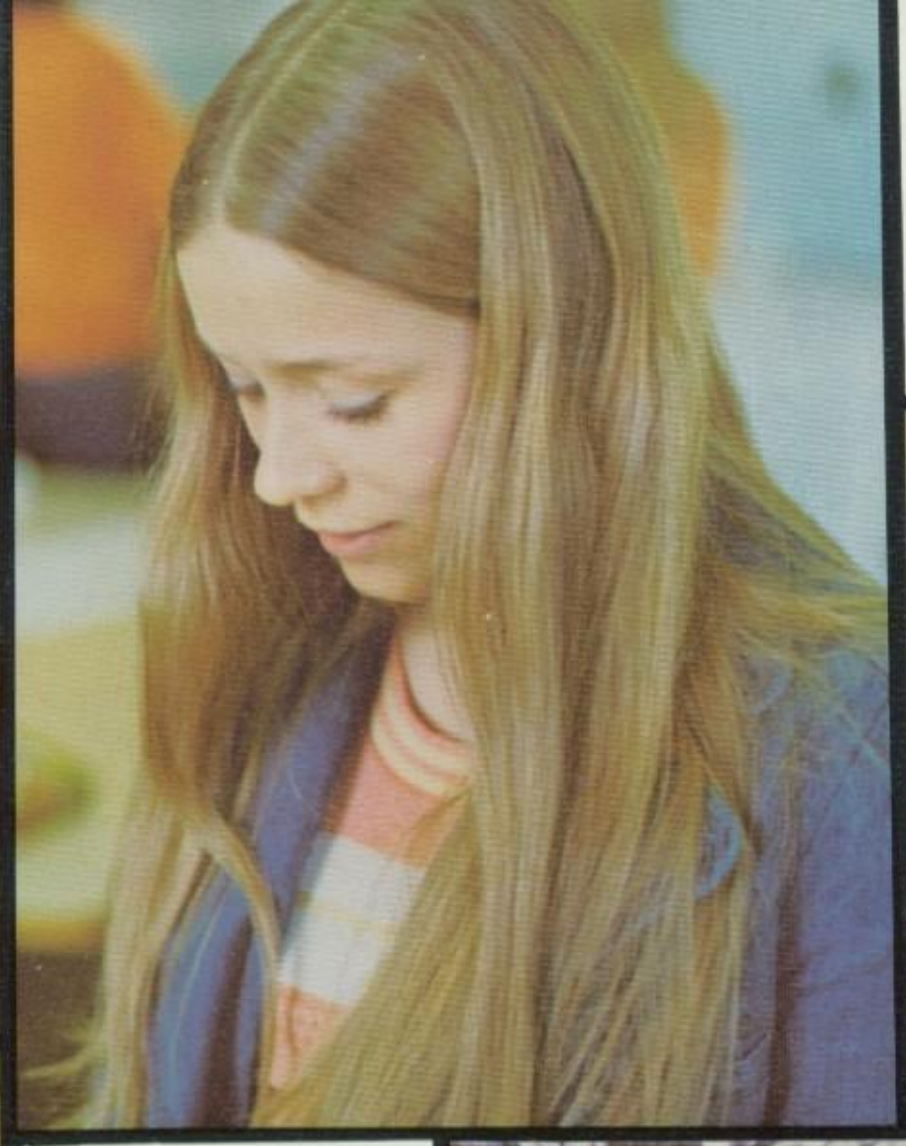
More of the things to make the bells ring.

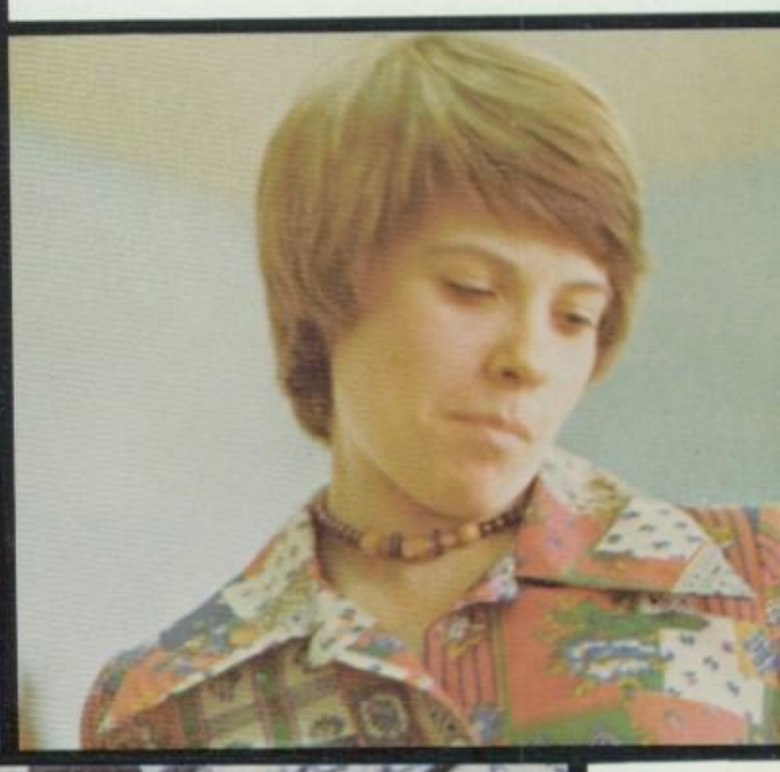
We've got a beautiful song to sing.

Look Up America, see what we've got,

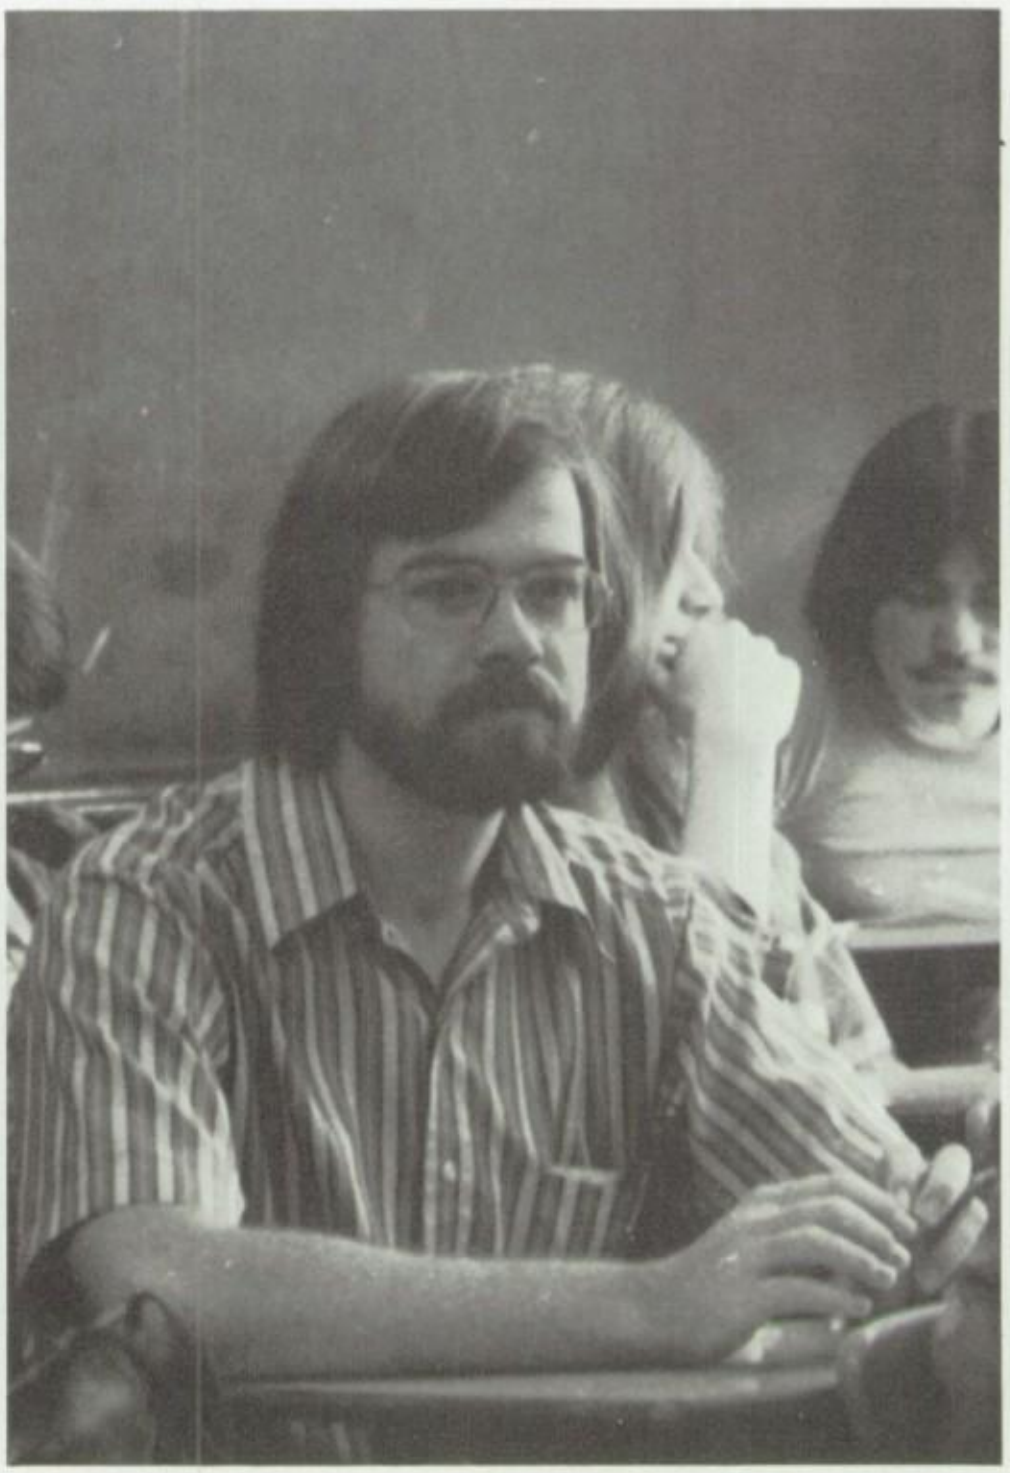




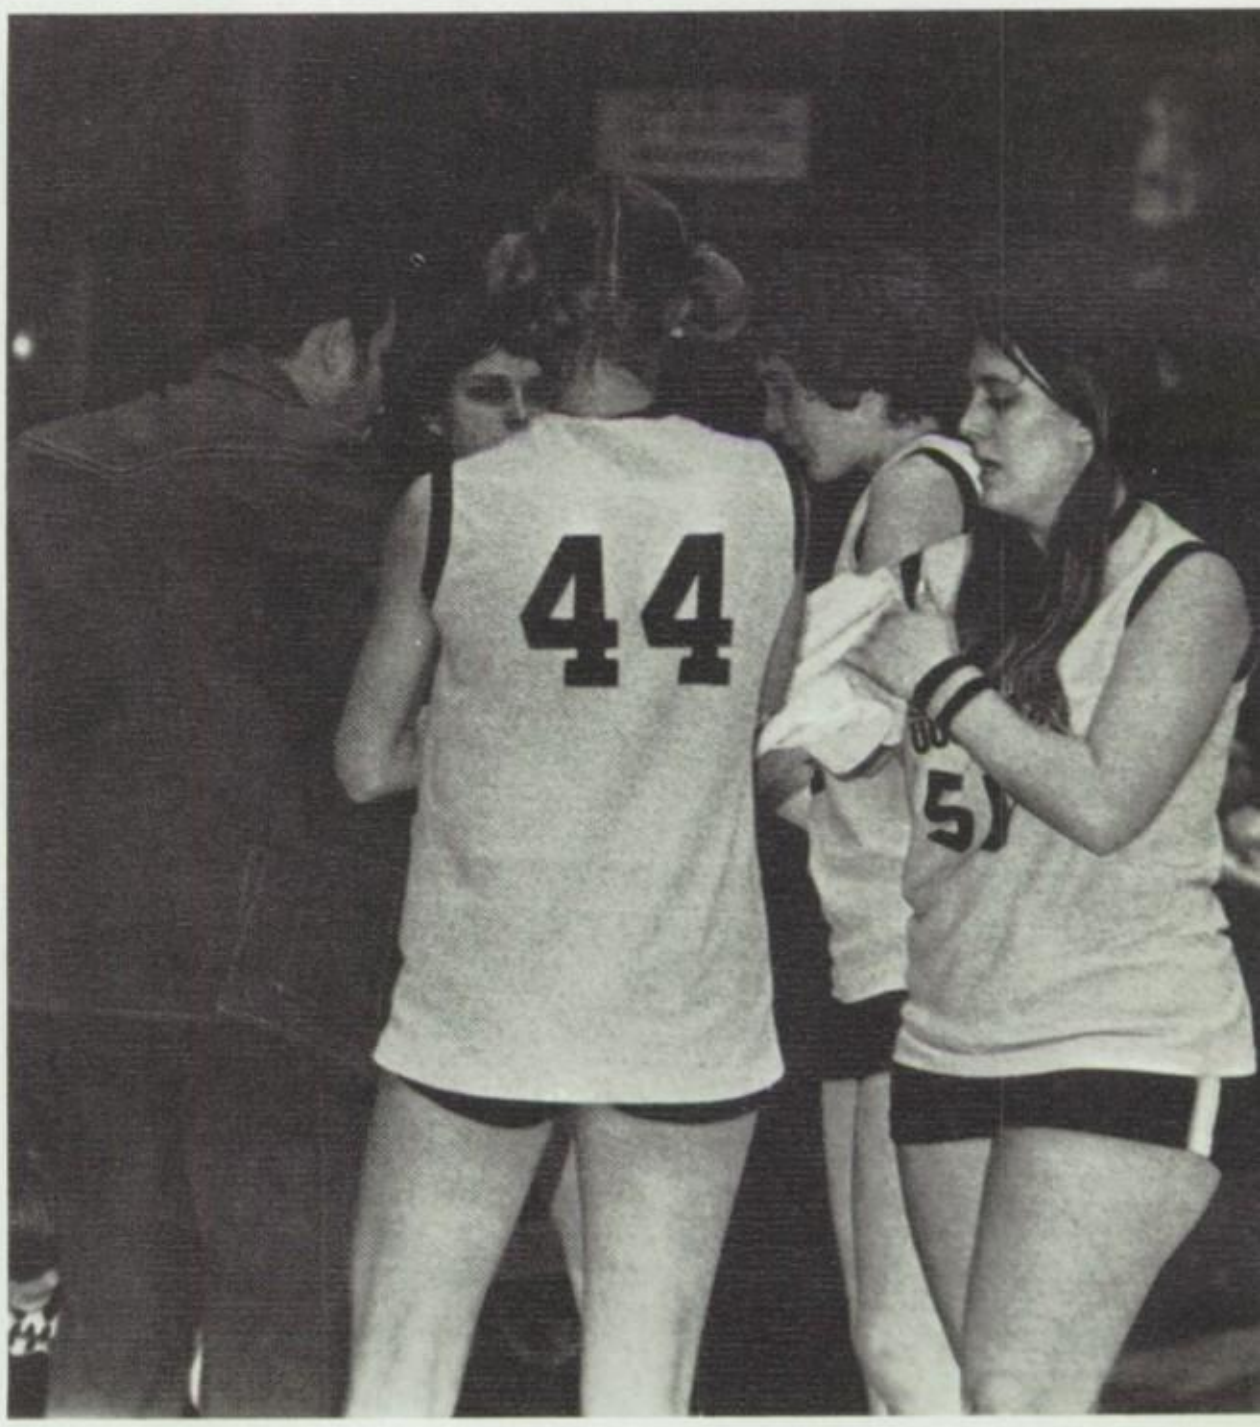




A million reasons for thanksgiving.

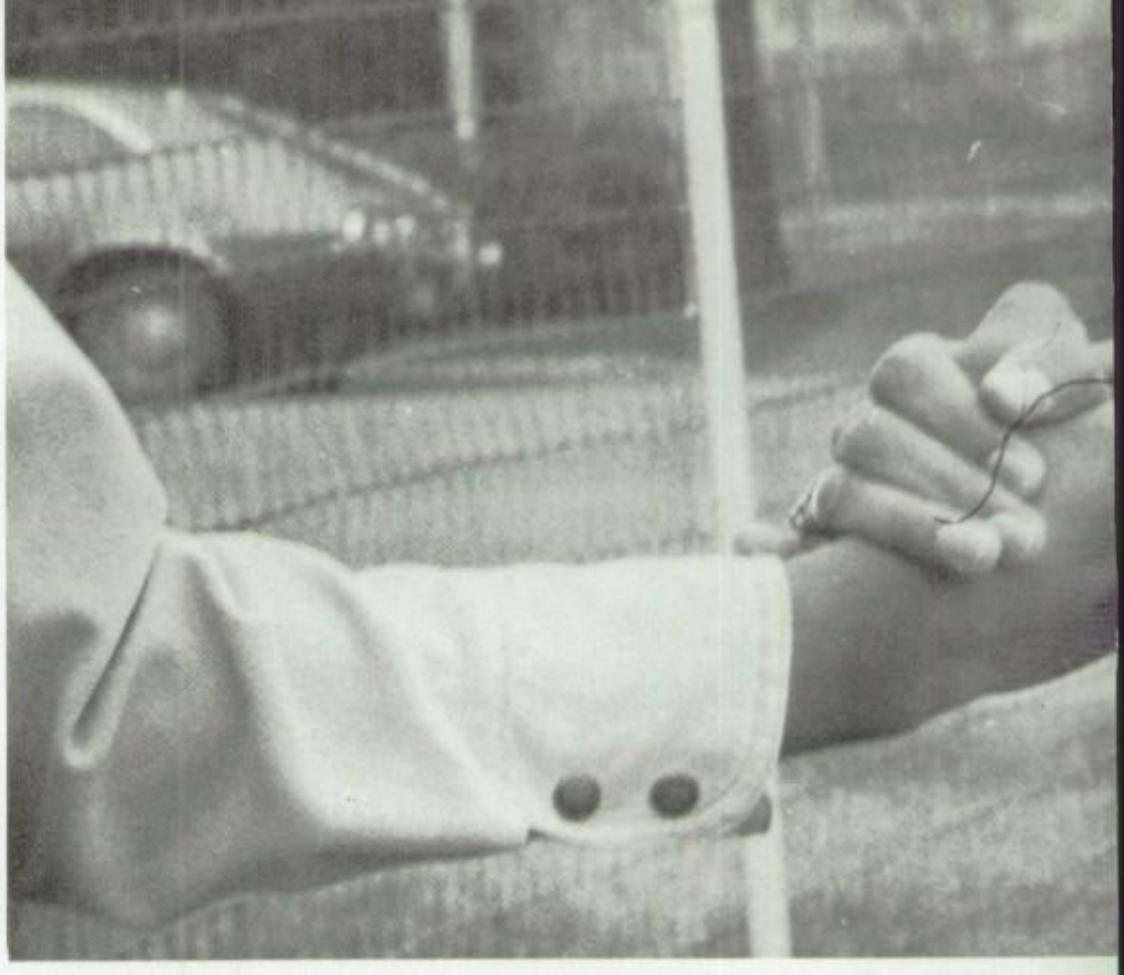


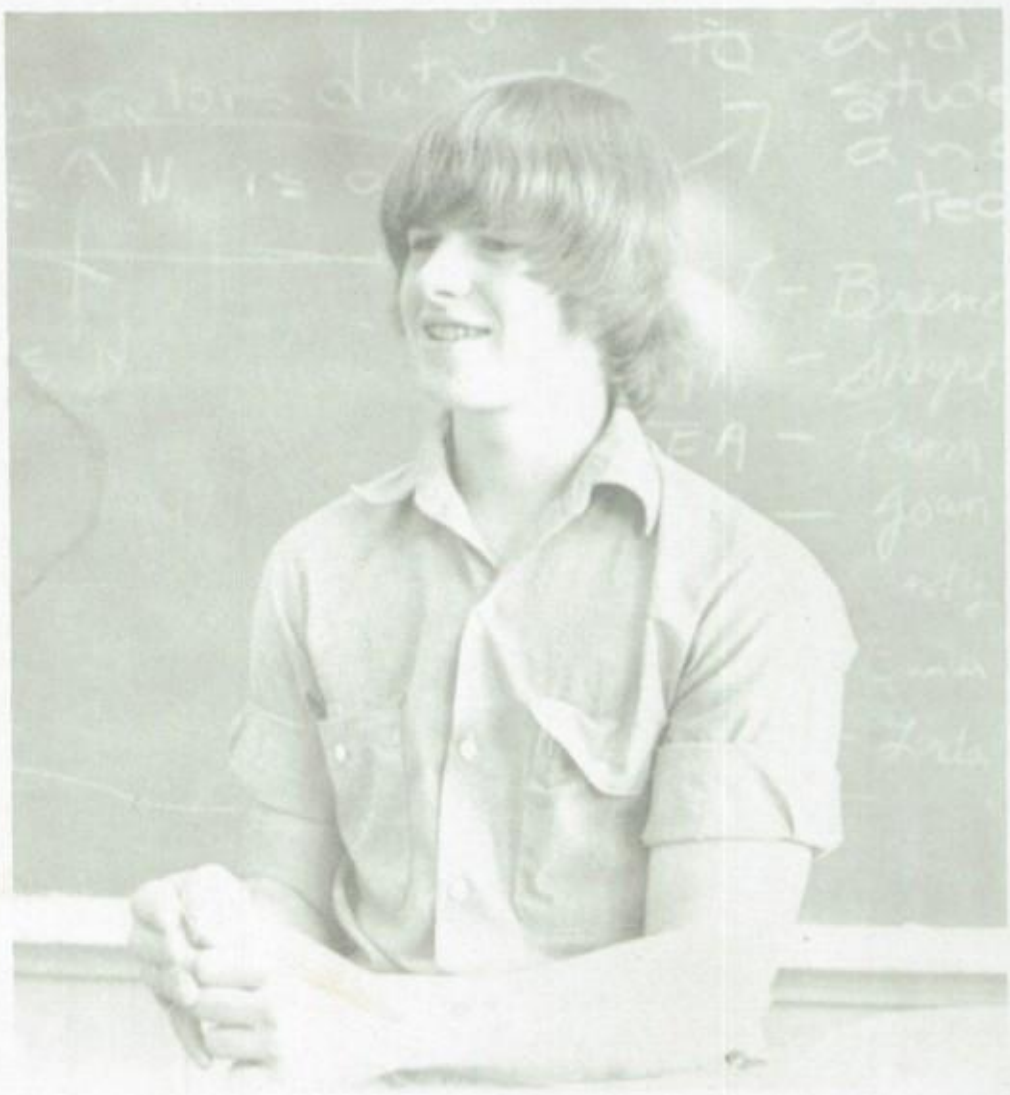
More times to say,
"Hey it's it's going our way."

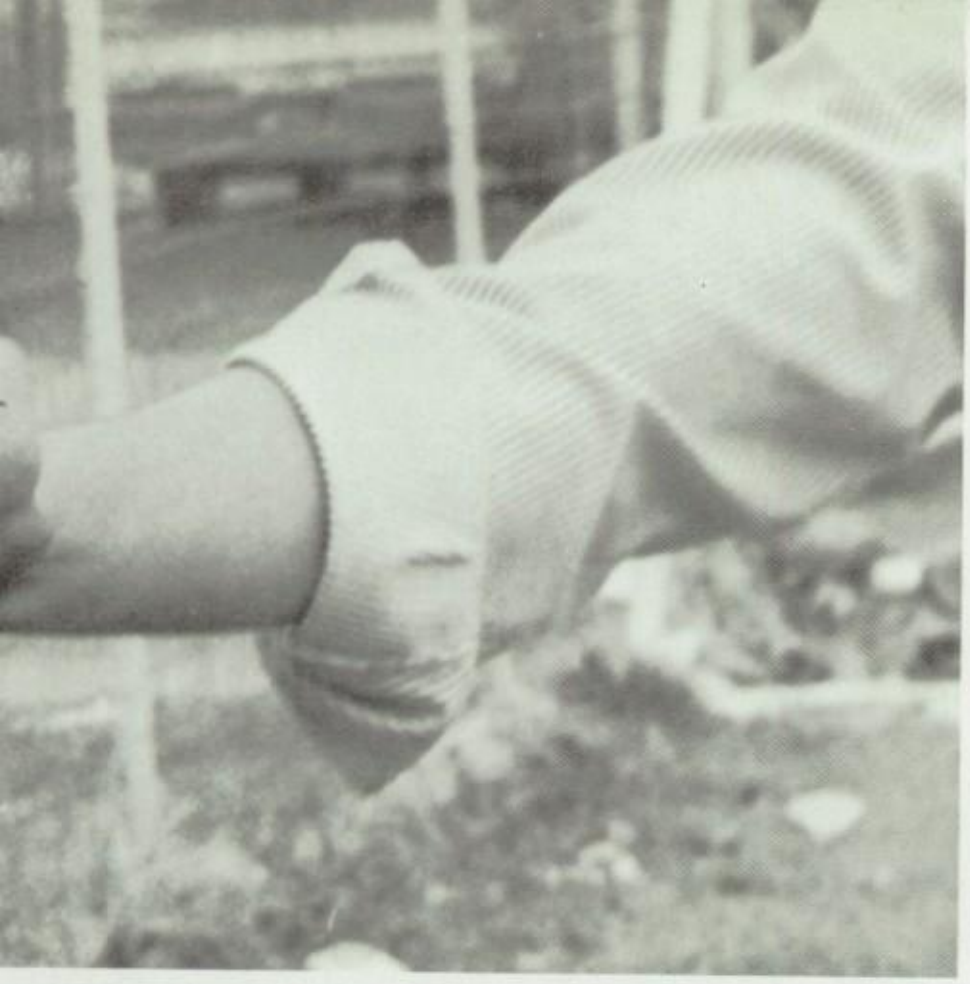


We've got a beautiful song to sing.

Sure
we've got things
to make you sad,

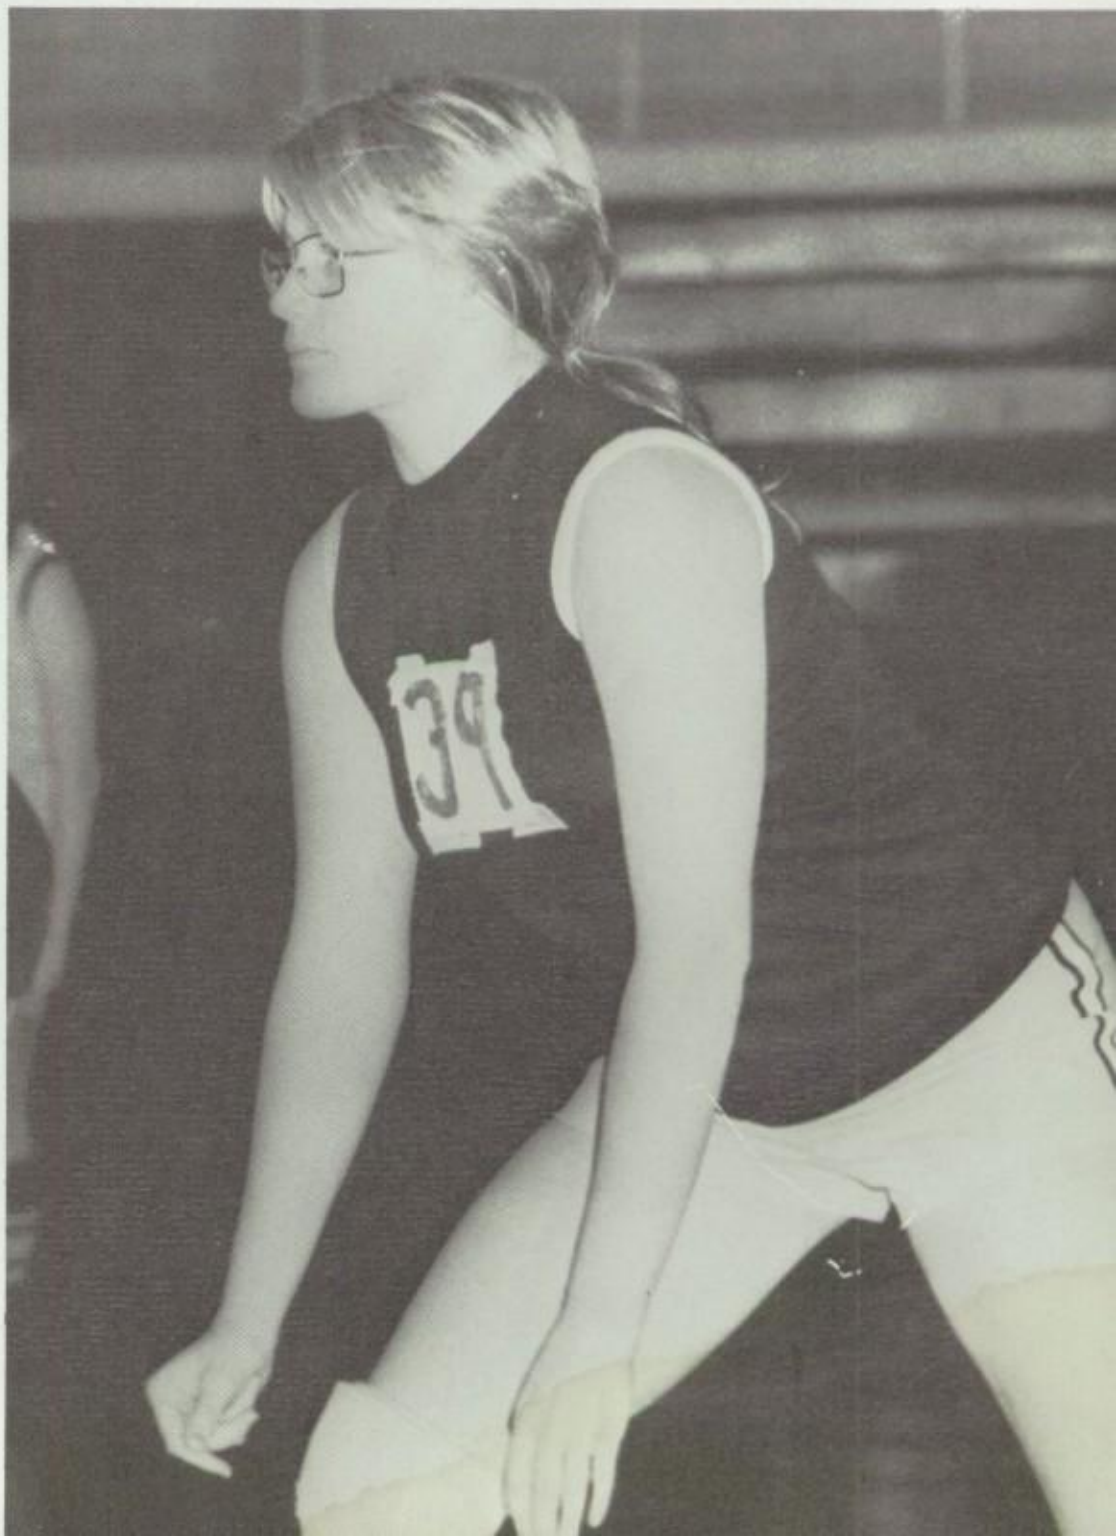


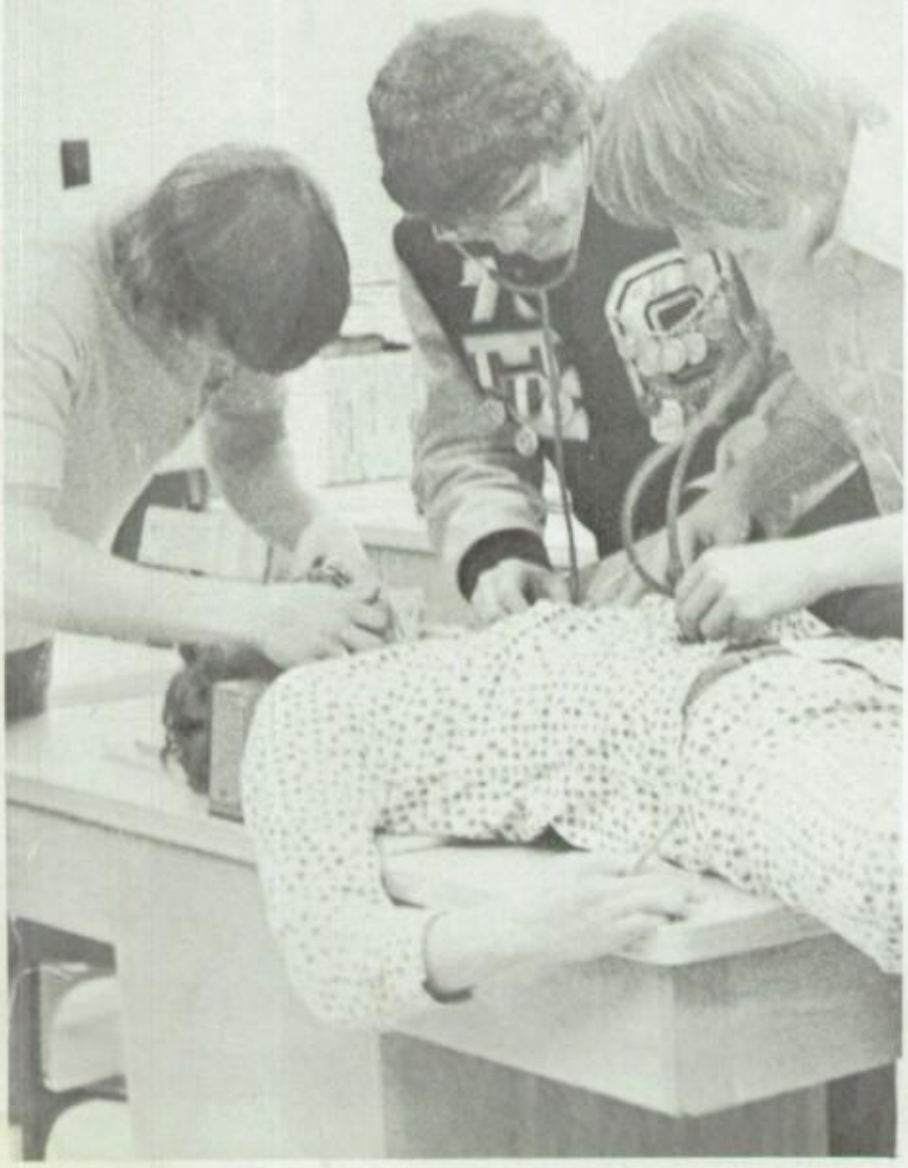




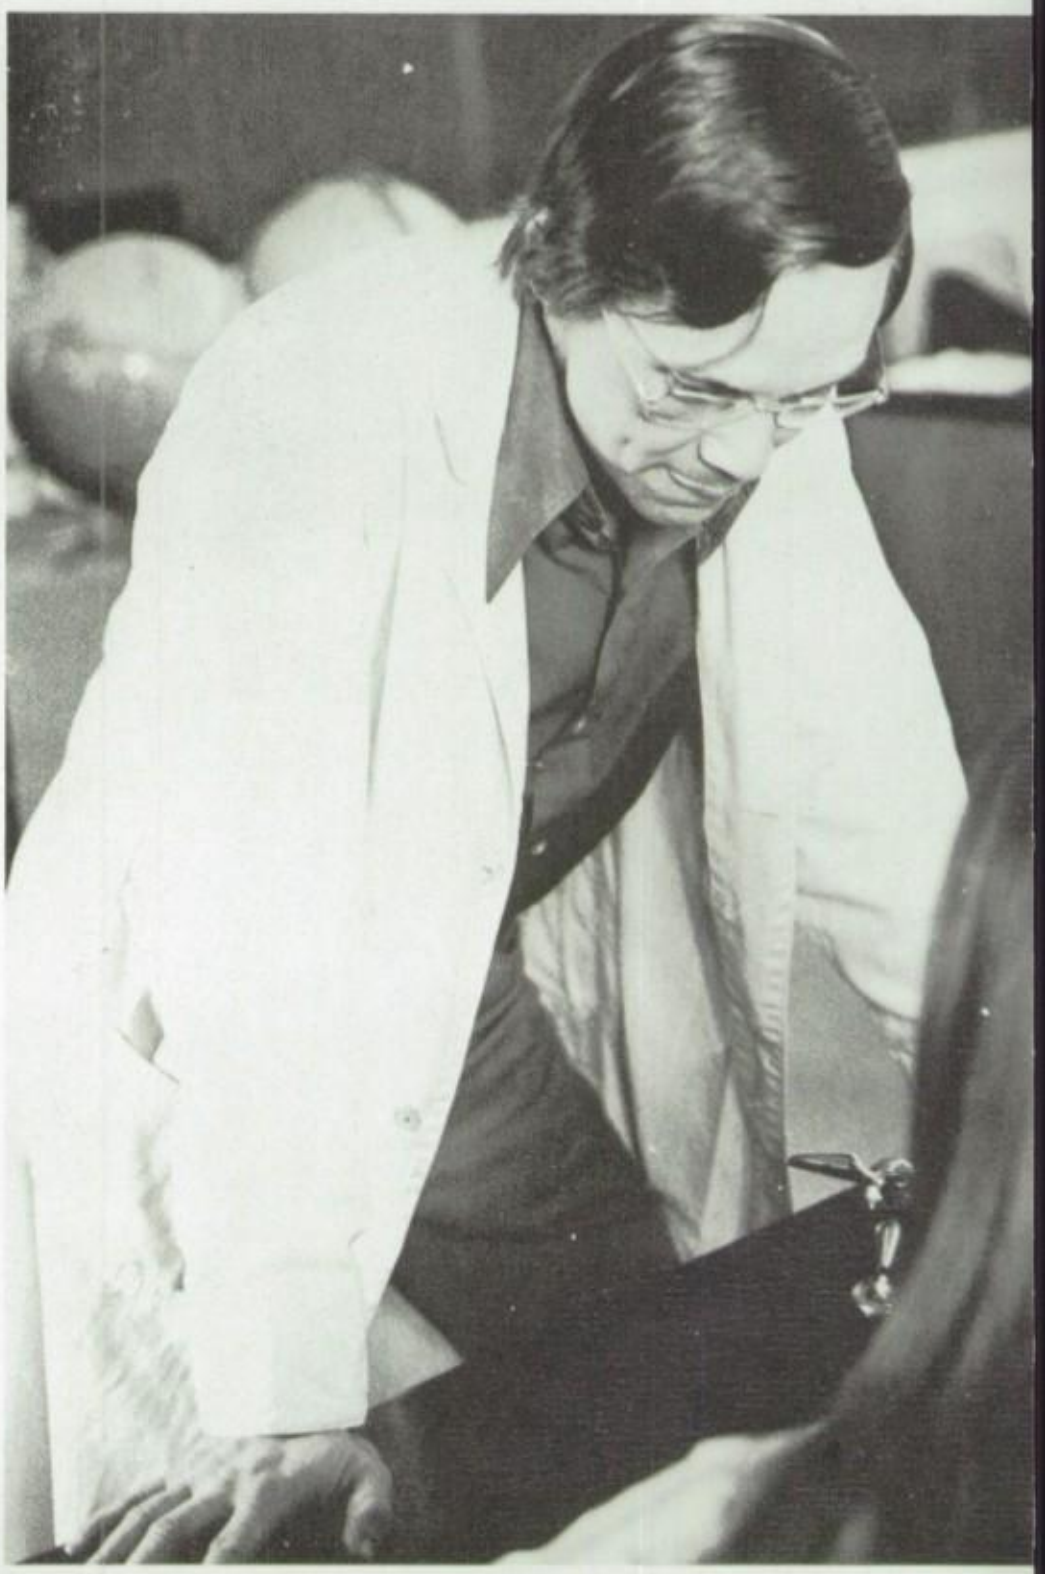
Sure
we've got news
that's bad.

But just look around and you will find more of the other kind.



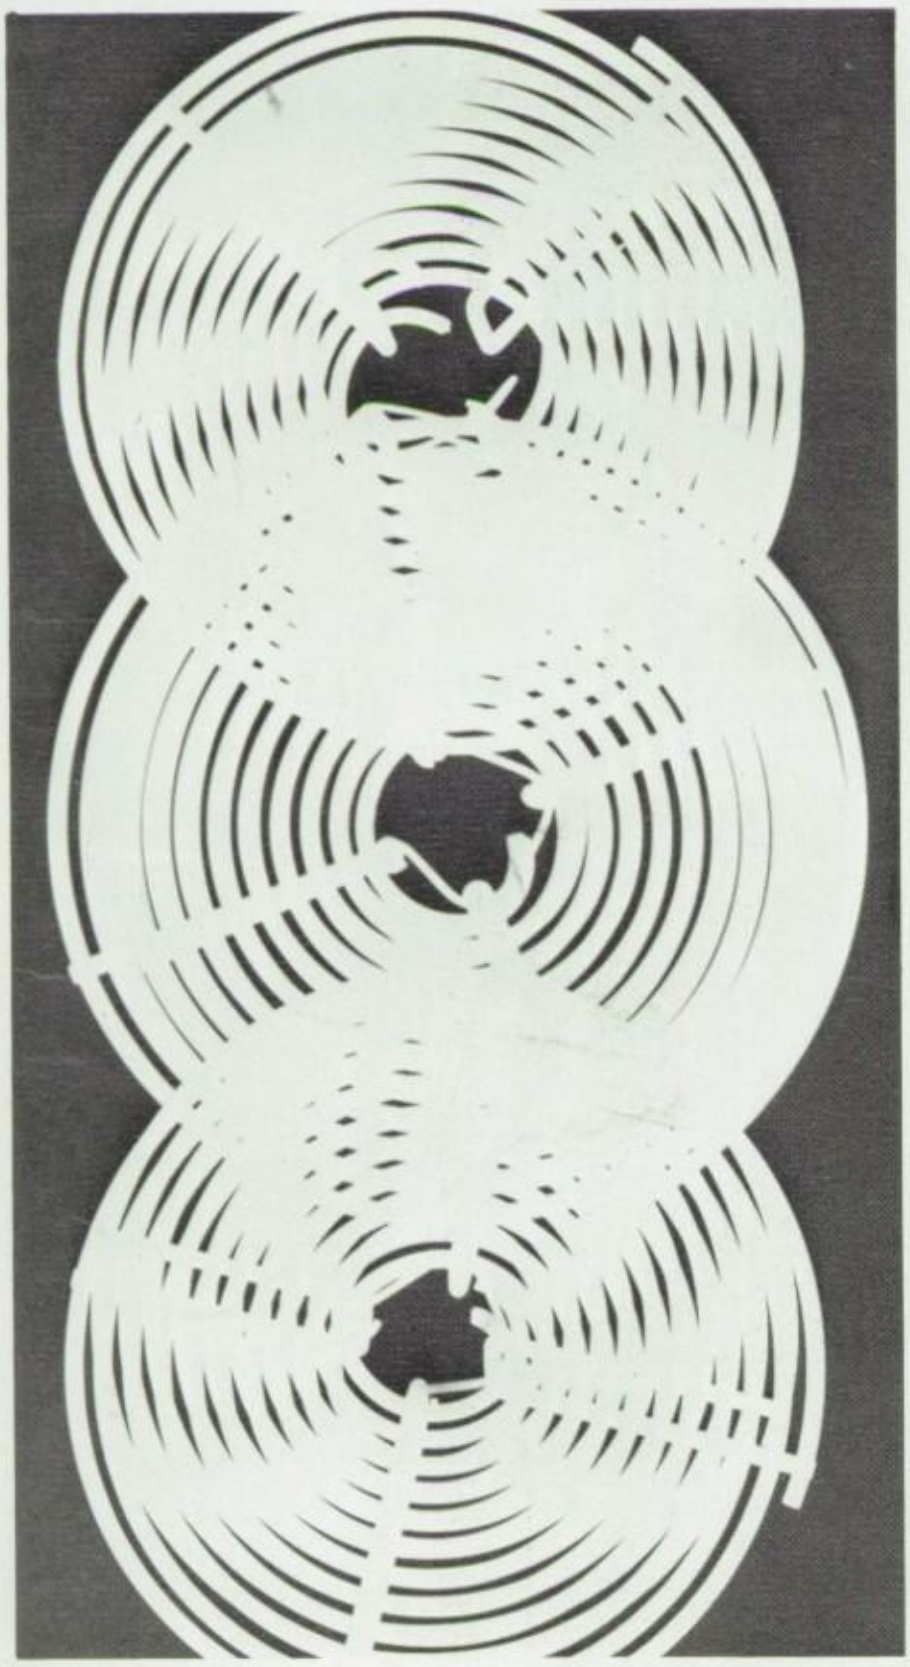


Look Up America,
see what we've got,



More silver linings when it's raining.

More dreams to dream,
more fields turning green,



We've got a beautiful song to sing.

Before the Homecoming Parade, the GHS Football boys had a practice to get ready for the game against Hoxie. Preceding the parade, the Sals prepared a pot-luck dinner for the players.

The student body selected: Queen, Charlene Trachsel, and attendants, Wendy Taylor and Christi Eckhardt.

Actors, Directors Do Great Job With Musical

Vocal Department's play, How To Succeed In Business Without Really Trying, was postponed November 20, 21, 22, and rescheduled November 24, 25, 26 because of a blizzard that left 9 inches of snow.

Cast and crews spent a month preparing the 3-day production. Student directors were April Hatcher, and Jamie Hendrich, while Barb Brown, Shelly White, Buster Showalter, and Kristi Nelson provided background music.

Leads were Charlene Trachsel, Tom Smith, David Eves, Greg Halligan, Tammy McNeal, Kim Pitner, and Jermarr Arnold.

David Eves, Bud Frump, and Tom Smith, Finch, both dream about the upcoming job opening and who will get it.

Mr. Meredith Myers and Mr. Roger Younger, directors for "How to Succeed in Business" and the entire cast, especially the leading members, did a great job with this years performance even though it was reset once.

Annual Winter Formal Attracts Large Crowd

When winter sets in with its icy cold weather and snow, the scene is set for the annual winter dance, Snoball. A dance wouldn't be a dance without royalty. Mike Friede and Connie Dautel were crowned king and queen. Their attendants were Buster Showalter, Jamie Hendrich, and Ed Miller and Jan Rethmann. Entertainment was provided by a Nebraska band, "Arkenstone." Refreshments were served throughout the dance.

The band Arkenstone provided the music for the many people at the dance.

AFS Hosts Largest Membership In School

Since 1970, the A.F.S. Club at GHS and the Adult Chapter of A.F.S. has sponsored a Foreign Exchange Student to Goodland. The incoming students go through a week of orientation in New York City, and there they are prepared for their year's stay in the United States. After this time they are sent to their respective homes.

Sofie Kristiansen, from Greenland, was our foreign exchange student for this year. During her stay, she lived with the Roy Bishop family.

Sophie Kristiansen takes a break on the hill while participating in the AFS walk and ride.

AFS student from Greenland, Sophie Kristiansen, tells the GHS student body how life in her own country differs from life in the United States.

Paula Bishop trys to explain some of the different American foods to Sophie.

The AFS walkers and riders raised money to sponsor two foreign exchange students at GHS for the 76-77 school year.

Sophie listens while Mrs. Porterfield explains one of the more complicated situations during the year.

Annual Twirp Week Creates Spectacles In Halls

Student Council came up with some new ideas for the different days of Twirp Week. The days were Red, White, and Blue Day - Monday; Cowboy Day - Tuesday; Kiddie Day - Wednesday, Fifties Day - Thursday; and Hat Day - Friday. Twirp Week ended on Saturday with the dance. Records were used for the music.

Can it be the 50's? It sure seemed like it on 50's Day. Two of the beauties are Cally Kirby and Mary Havice.

None of that between such sweet little girls as Linda Miracle, Cally Kirby and Janet Zwelling. Kiddie Day was the most exciting of all the days this year.

Stuco President, Peg Short, gives her support to Kiddie day and others.

Twirlers Perform At Home Sporting Events

Hours of practice and hard work paid off as the GHS Twirlers entertained during half-time of football games, basketball games and intermission of wrestling matches.

Each of the twirlers did a feature twirling routine at the basketball games along with a group routine every week. Some of the songs included "Proud Mary," "Down By The Lazy River," and "Sugar Blues."

Sophomore twirler, Linda Stewart, shows her talent doing zips for the cameraman.

The second year for Jana Van Donge has really helped her twirling talent.

The 1975-76 GHS Twirlers are: (TOP ROW) Jaqque Listen, Linda Stewart, Nancy Taylor, and Head Twirler, Kim Helm; (KNEELING) Susan Elliott, and Jana Van Donge.

Head Twirler, Kim Helm, is in her second year of Twirling at GHS. She makes up the routines for the half-time shows.

'Night Spent In Jail' Turns Out Big Success

Drama classes this year put on a play for public audiences which was open for anyone to audition for a part. The name of the play was "The Night Thoreau Spent in Jail."

Kelly Wieck and Marla Martin played the two lead parts. The other main characters were Curt Peter, Alice Hendrich, Tom Smith, Brenda Little, Dean Ellison and Sheila Smith.

Mr. Stan Lewis is the drama instructor for the class and was very pleased with the student performance. Many long and hard hours were put in on the play and props. The performances had a fair turnout but the play deserved a much bigger audience.

"You will teach the textbooks, sir!" exclaims Deacon Ball, Dean Ellison.

"I shall never teach again", says Waldo, better known as Curtis Peters.

"They've found Deacon Ball murdered, and they're accusing Henry!" says Waldo, Curtis Peter, to Lydian, Alice Hendrich.

During the dream scene the sergeant keeps saying, "Forward to Mexico . . . March! Hate-two-three-four, Hate-two-three-four, Hate-two-three-four!"

As the little Drummer Boy--Edward--falls wounded across his drum, Henry runs to the stricken boy saying, "Mr. President! He only wanted to pick huckleberries!"

Dana Branson Wins 1976 Tri-State Queen

This year's reigning Tri-State Queen was Dana Branson and her attendants were Vicki Anderson and Penny Jensen. The captains for the Tri-State Royalty were Tom Livengood, Eddie Phillips and Greg Hallagin. The Relays were a good turnout even though the wind blew most of the day.

The reigning Queen for the 1976 Tri-State Relays is Senior, Dana Branson.

Brad Mann shows his talent by placing second in pole vaulting at Tri-State.

Fred Duell, Goodland senior, trys his skill at the low hurdels at the meet.

Junior Class president, Bret Endsley, starts the evening with his welcoming speech.

'Whiskey River' Provides Prom Entertainment

The band for this year's prom was "Whiskey River," a band from the Los Angeles area. They did a real fine job and provided many different kinds of music ranging from Kentucky Bluegrass to Rock 'n' Roll.

For entertainment the Stage Band put together a medley of tunes that included sections of "Wiggy," "The Candy Man," "Have You Never Been Mellow" and "Eleanor Rigby."

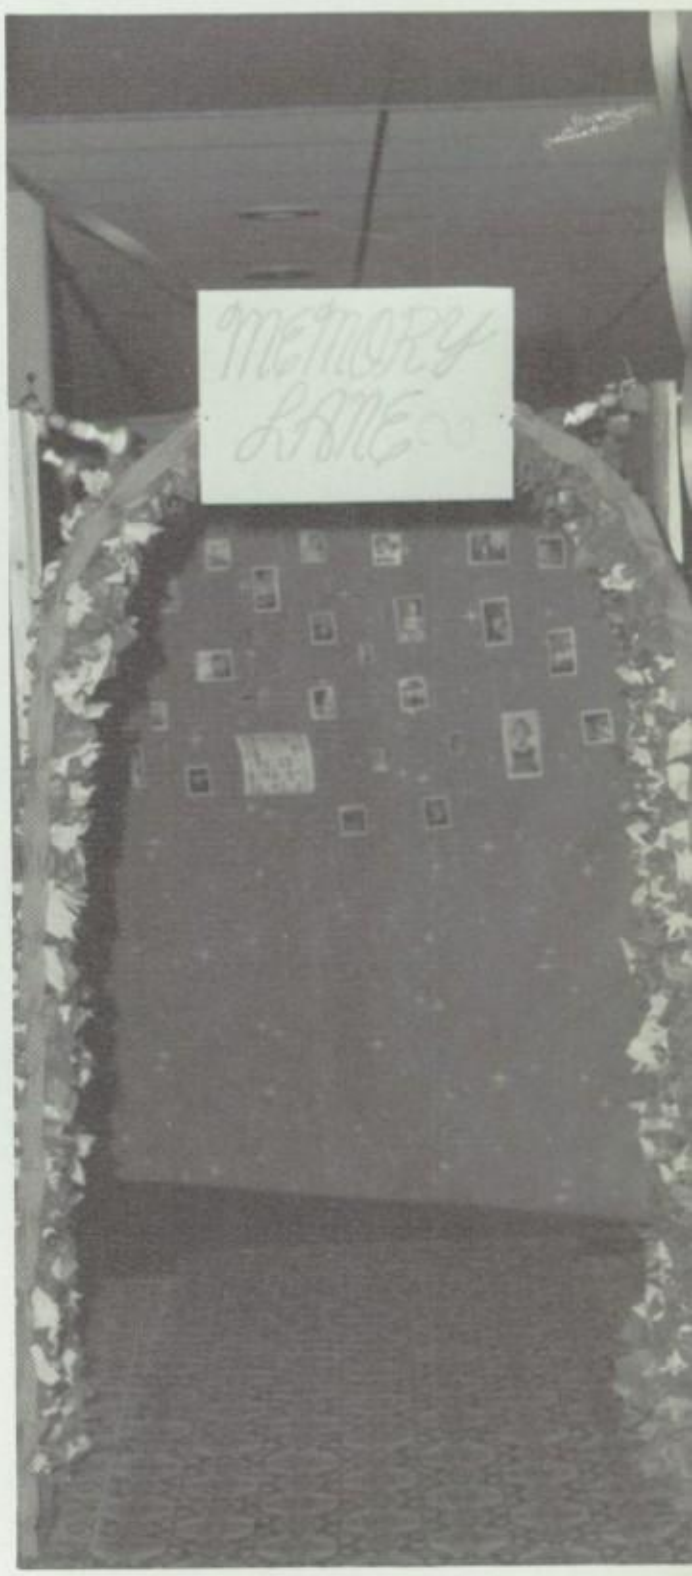
The dance floor slowly but surely became more lively after a few songs were played by "Whiskey River".

The band for the Junior-Senior Prom is "Whiskey River" from Los Angeles. They played from 9:00-11:30 at the dance.

Sometime during the dance all the Prom Servers had to serve punch. Here is Scott Showalter and Brad Shores.

During the dance Kirk Baker and Wendy Taylor get into a serious discussion about how good the band is.

The place that all the Seniors enjoy or dread is Memory Lane which has their childhood pictures.



Mr. Jim Garner leads the band as the 1976 graduates march in for Baccalaureate exercises May 19, 1976. The Band provided the music for the processional and recessional.

SAE Prepares Students For Teaching Career

The local Student Action for Education Club is quite active in giving their members the chance to hear speakers and learn about education. This year the state president, Linda Filkens, is from GHS and also the state sponsors Jackie Elliott and John Palmquist. State meeting is held in Topeka while official workshops are held on the Wildcat campus in Manhattan. The club along with other clubs at GHS sell concessions during winter sports for their money projects. This gives students a chance to meet the public and learn responsibility. Each meeting a different speaker is heard and a different aspect of Education brought into the light.

FHA Hero Members Keep Active Schedule

The Future Homemakers of America purpose is to promote the joys and satisfaction of homemaking. This years officers are Pam Whisnant, Lynn Waugh, Linda Filkens, Mary Havice, Michele Young, Brooke McFadden, Delilah Jacobs, Rhonda Cress, and Henry Nemechek. Mrs. Sarah Short and Miss Marian Wagaman have kept busy with many school activities and community as well. No longer is F.H.A. thought of as an all girls club, this year the club has three boy members who are quite active.

During October the club sponsored a Halloween party for the youth of the community, they played games and awarded prizes to the best dressed. In the spring the club plans to paint the fire hydrants of Goodland red, white, and blue as their Bicentennial project.

This year the Goodland chapter had the State officer and the district treasurer. Along with being a state officer, Peg Short attended National meeting in Washington D.C. Lynn Waugh was in charge of the district's money and keeping records of the District's expenses. Peg Havice, a senior, is working on her state degree, the degree program is an individual program to help the member improve himself and his community.

To help plan the year, a slumber party is held in the fall. At fall conference the Goodland chapter took third place in the display contest and was in charge of the devotion for the day.

Impact projects are the adoption of Grandparents and the study of careers.

Getting parents involved is a big part, so to help, the club sponsors a Ma, Pa, and Me Banquet. All year long everyone tries to rack up points to get the chance to go to state meeting held in Topeka in April. The day long meeting features speakers and skits by the clubs. The chapter parents get into the act by helping sponsor the trip. This years parents are Mr. and Mrs. Otis Havice and Mr. and Mrs. Harley Whisnant.

The year is summed up by the end-of-the-year Style Show and Tea, new officers are installed and Jr. High students are invited to take a look at GHS F.H.A.

Kayettes Perform Community-Wide Services

Kayettes are a very active club around GHS and the community. Mrs. Fran Christenson was the temporary sponsor first semester until Mrs. Linda Van Loenen returned at semester. Marsha Craft, President, and Mrs. Linda Van Loenen worked very hard to schedule activities.

Some of the many activities were: popcorn sales for Cerebral Palsy, Meals on Wheels, teacher appreciation and the annual chili feed. Kayettes gave all the teachers a birthday party in appreciation for their past patronage.

The members are: Fran Christenson--sponser, (TOP ROW) Marsha Craft, Jackie Failey, Kim Helm, Desi Friede, Kammie McCombs, Cindy Hurd, Susan Elliot, Jana Van Donge, Vicki Odom, Rhonda Tupper, (MIDDLE ROW) Linda Stewart, Loretta Bradley, Jerri Troyer, Tammy Lance, Shelly White, Sheila Smith, Jeanna Waters, Sharon Odom, Shelly Weick, (BACK ROW) Lorretta Whalen, Marilyn Bolt, Cindy Degenhart, Glenda Stewart, Mary Beth Oglevie, Brenda Stewart, Dawn Edwards, Cathy Cole, and Terri Garrett.

Kayette officers are: (TOP ROW) Brenda Stewart, Sharon Odom, Jeanna Waters, (MIDDLE ROW) Marsha Craft, Cindy Degenhart, Kammie McCombs, Sheila Smith, Tammy Lance, Dawn Edwards, and Mary Beth Oglevie.

Leaders Provide Service; Gain Good Experience

The Goodland Sals continued promoting pep and spirit throughout the school. They cheered on the athletes both at home and on the road, and were supporting them as far away as El Dorado and Hutchinson.

The Sals were led by six varsity, four junior varsity, and four freshmen cheerleaders as well as two mascots. They made posters, lockers, and run-throughs for the athletes and performed skits at various pep assemblies.

The annual Sal banquet was held April 27th at the Holiday Inn. Awards were presented, and Lynette Peter, Joy Stephens, Mary Havice, and Peggy Havice were named Outstanding Sals.

Miss Jennifer Shea, Mrs. Linda Wilson, and Ms. Lana Nelson served as the sponsors of the organization.

Peggy Havice, senior mascot for the Cowboys, shows some of her expressions during a close game. The mascots showed their enthusiasm at all varsity games. Peggy was also selected outstanding senior sal at the banquet.

Mrs. Linda Wilson helped Miss Shea out as assistant Sal sponsor. This is her first full year at GHS.

AFS Hosts Banquet, Walk, And Tasting Party

AFS was comprised of nearly 30 active members this year, holding meetings twice a month.

The first event of the year was the tasting party held in the high school cafeteria. Members prepared various foreign dishes and after sampling each of them, they voted on the favorites to use for the AFS Banquet.

Preparation for the Banquet began in November. The club provided a foreign meal and entertainment for the large group which attended.

The State AFS Convention was held in Goodland this year. Various committees organized and supervised the registration, housing, the dance, a talent night, and rap sessions.

The final event was the annual AFS Walk. The route was around Great Western to the Hatcher residence where refreshments were served.

Anita Garrett, Terri Garrett, and Martin Irons enjoys walking on the annual AFS Walk. Each year many students take part in the walk, which went around Great Western to Hatchers where refreshments were served.

DECA Teaches Business And Job Training

The Distributive Education Club is sponsored by Mr. Terry Wendlant. They run the DECA store, which caters to all the student's school needs.

The club is designed to teach the students about business. Junior DECA is a basic learning course done inside the classroom. Here the students are taught business management, merchandising, buying, selling, and other aspects of the working world. Senior DECA is learning by doing. The students gather experience as they learn on the job.

The DECA Club also does the window display in the halls. This is done once a month to show merchandise from various stores to the student body.

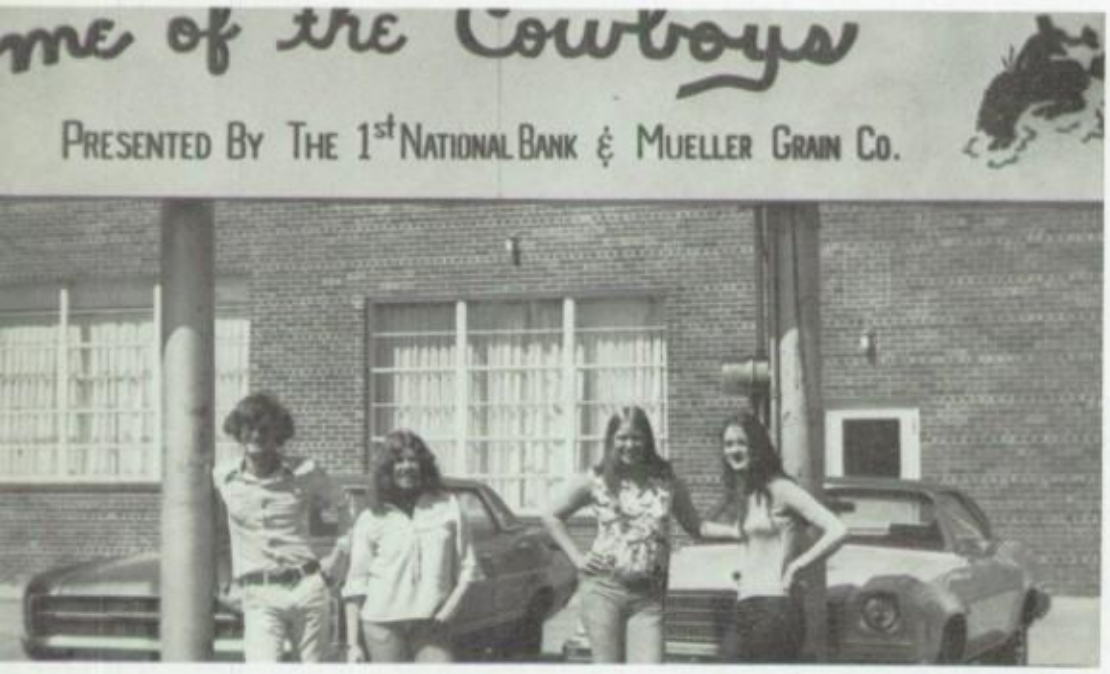
Stuco Gives Sample Of Government Action

Student Council has had another successful year and have done a lot of things for GHS. There are approximately 30 members and this year's officers were: Peg Short, president; April Hatcher, vice president; Sheryl Awmiller, secretary; Gaylord Stasser, treasuer; Mr. Richard Brown was again this year's Stuco Sponsor.

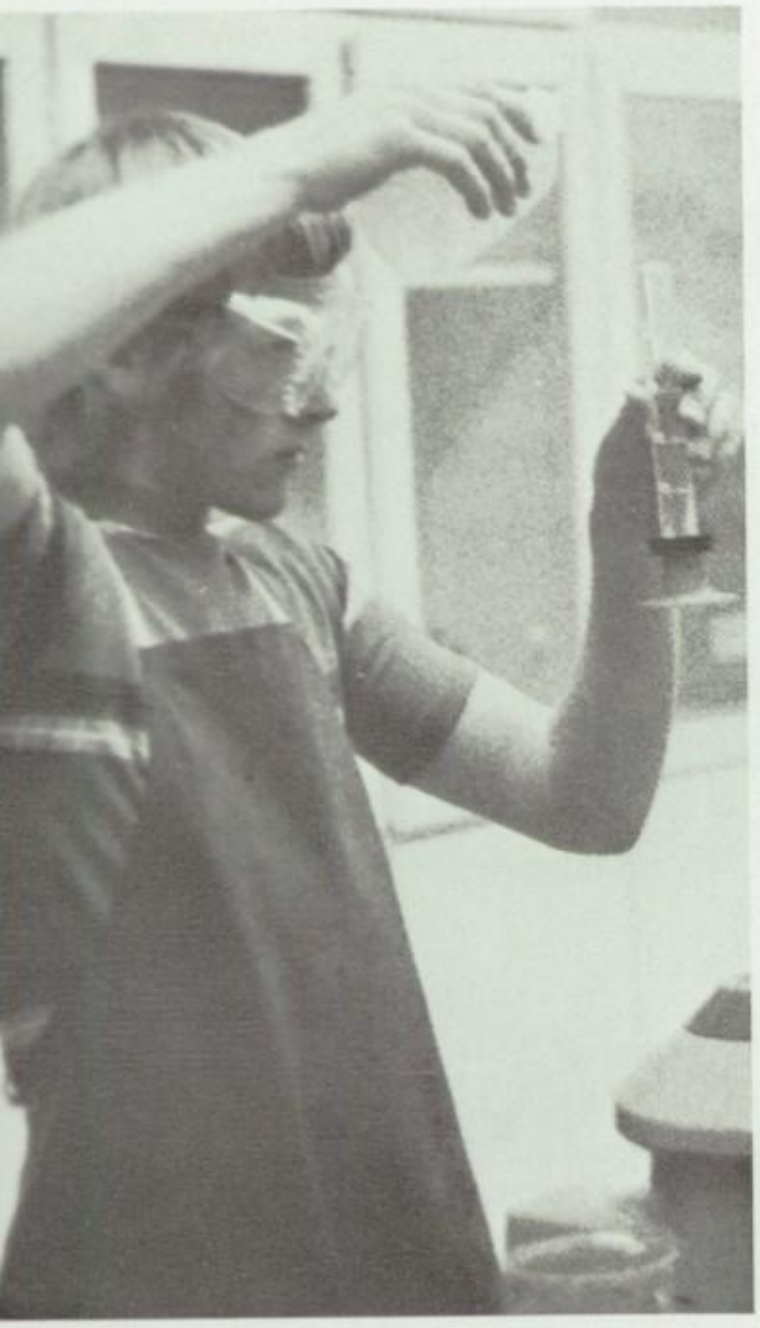
This year Student Council sponsored Snoball, Homecoming Parade, Bonfire and Pep Rally, Coronation Ceremony, Tri-State Relay Ceremonies, Back-To-School Dance, and Twirp Week Festivities and dance. Stuco also runs the Student Lounge and the money from the machines pays for the dances.

Peg Short served as Stu-Co President for the 75-76 school year while Richard Brown served as Stu-Co Sponser. Both did an outstanding job getting things done, considering all the obstacles they had to overcome.



Officers of Student Council gather for a fast picture under one of Goodland High Schools goal posts.

Dick Brown looks back on activities of the school year that offered frustration for both himself and Stu-Co members. David Eves, GHS Graduate, stands in the background remembering also.



David Eves, stuco member, is caught brewing up a formula to destroy the school. Maybe he'll succeed one of these years.

Stuco members are: (TOP ROW) April Hatcher, Tammy Mcneal, Jamie Hendrich, Linda Zwelling, Jan Rethmann; (3RD ROW) Peg Short, Brenda Little, Pam Meissinger, Marla Martin, Sheryl Awmiller; (2ND ROW) Mary Havice, Carla Brouillette, Lisa Everett, Tom Pitner; (FRONT ROW) Kammie McCombs, Cindy Hurd, David Eves, Gaylord Stasser, Mr. Brown, sponsor.

GHS Band Provides Spirit At Football Games

The GHS Cowboy Band had a good year for 1975-76. The band performed at all half-time shows during the football season. The Cowboy Pep Band traveled to Hays for Regional and State Basketball for boys and girls. The band received a "I" rating at State Contest (which was held in Goodland) on the two pieces, "Prerogatives for Band" and "Triptych." The band received a "II" in the sight reading contest. Many groups had trios and ensembles for contest. The clarinet ensemble received a "I." The Brass Choir and Trombone Quartet received "I's." The Saxophone Quartet and the Percussion Ensemble received "II." All in all the band faired well in state contests with many soloists receiving "I's."

The Goodland High school band looks on as Jim Garner is attacked by a Jumping Junior during the first quarter.

Many Students Participate In Vocal Department

Most of the first semester was spent preparing for the presentation of the musical, which was "How to Succeed in Business Without Really Trying." It was presented November 27, 28 and 29, despite poor weather conditions, and proved to be a great success. The Christmas Concert followed less than a month later.

During the spring, all the classes were busy preparing for the State Music Festival. A Festival Concert was presented for the public.

The groups which received I ratings included the Concert Choir, the Girls Glee Club, two Mixed Ensembles, two Boys Ensembles, and one Girls Ensemble. The Boys Choir and one Girls Ensemble received II ratings.

Twelve vocal soloists participated in the annual State Music Festival which was held in Goodland this year.

CHS' top vocal group, X-Pressos, perform frequently throughout the tri-state area at various events. A trip to Wichita's "Cow Town" highlighted the year's performance.

SPORTS '76

Lenny Weber, freshman, strides out in the last few moments as he approaches the finish line in the Goodland Invitational Tournament.

Senior, Eddie Miller, takes a warm-up run as the rest of the Goodland team looks on anxiously awaiting the start of the meet.

Members of the Cross Country Team are: (LEFT TO RIGHT) Coach Terry Wendlandt, Don Lambertz, Greg Halligan, Bruce Frankenfeld, Lenny Weber.

Coach Terry Wendlandt, watches his runners while accurately keeping the times.

Junior, Les Yoke, returning letterman, pushes hard in an attempt to overtake an Oakley Plainsman in a close race to the finish line in the seasons first meet.

Bret Endsley, junior, shows the hardship and fatigue of the grueling two-mile race as he pushed to the finish line.

Goodland High Harriers Dash Through Season

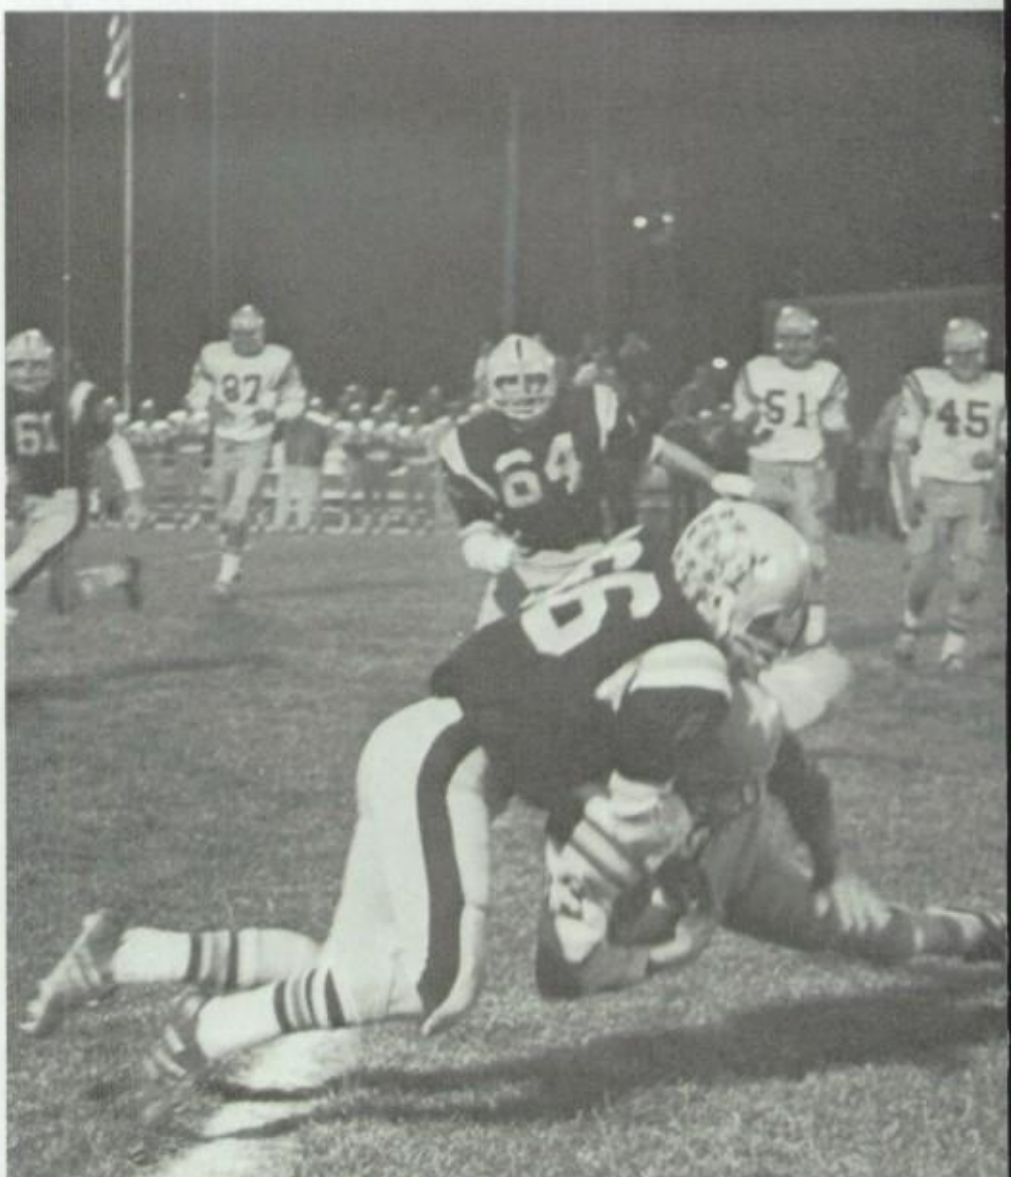
The Cross Country team was one of the smaller teams that Goodland has had in recent years with only eight runners. Ed Miller led the pack this year with the rest of the runners keeping a close pace. The team was coached by Terry Wendlandt who did a fine job in his first year of coaching for the harriers. "We had a fine effort from our seniors this year and we will have some good runners coming back next year to lead our team," stated Coach Wendlandt.

Goodland has three seniors leaving the team this year and will have four returning letterman coming back to run for the team next year.

The team this year did well as a whole coming in third in the league meet and finishing in the top five for all but one of the season meets.

Competing in the Goodland Invitational Cross Country meet were four teams including Oakley, Norton, and Colby. Leading the pack for the Goodland runners are Eddie Miller and Steve Stull. The meet was held at the Golf Course.

Kirk Baker, senior captain, makes a crushing tackle against an offensive runner in the game against the Norton Bluejays.



Senior, Tim Livengood, makes a touchdown on a quarterback keeper for the blacks in the annual soap scrimmage which starts the season.

Senior, Mike Friede, 3A All State End, makes an outstanding reception in a tight battle against a Norton defender.

Goodland Cowboys End With Winning Season

Although it looked as though they were headed for a league championship, Goodland's successful football squad earned a 6-3 record. Defeated in some close ballgames they settled for a second place tie with the Oberlin Red Devils.

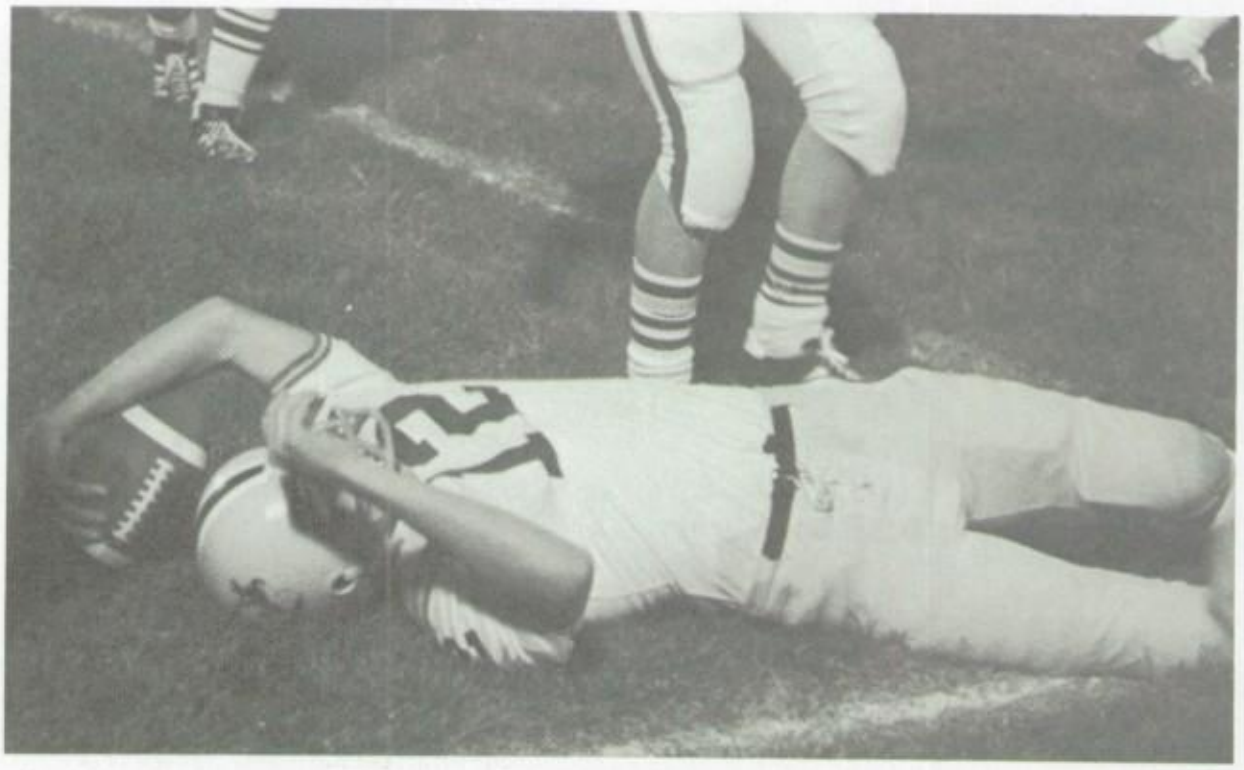
Goodland had a strong showing on the all-league team with Jerry Reitcheck, Dean Ellison, Kirk Baker, L. J. Irons, Bryan Koehler, Terry Winter, and Mike Friede being named. Friede also received the high honor of being selected to the **Wichita Eagle's** All-State Team.

The Cowboy gridders started the season by downing TMP 8-0, and Scott City 13-7. They started the league by handing St. Francis a loss, 28-0, slowed down Oberlin, 35-21, and wrecked Hoxie at Homecoming. Then the machine tilted and Oakley, Atwood, and Norton won decisive victories. In the finale, the griders really ripped arch rival Colby, winning 32-0.

Next year, 12 lettermen will return to the field to match this year's impressive season.

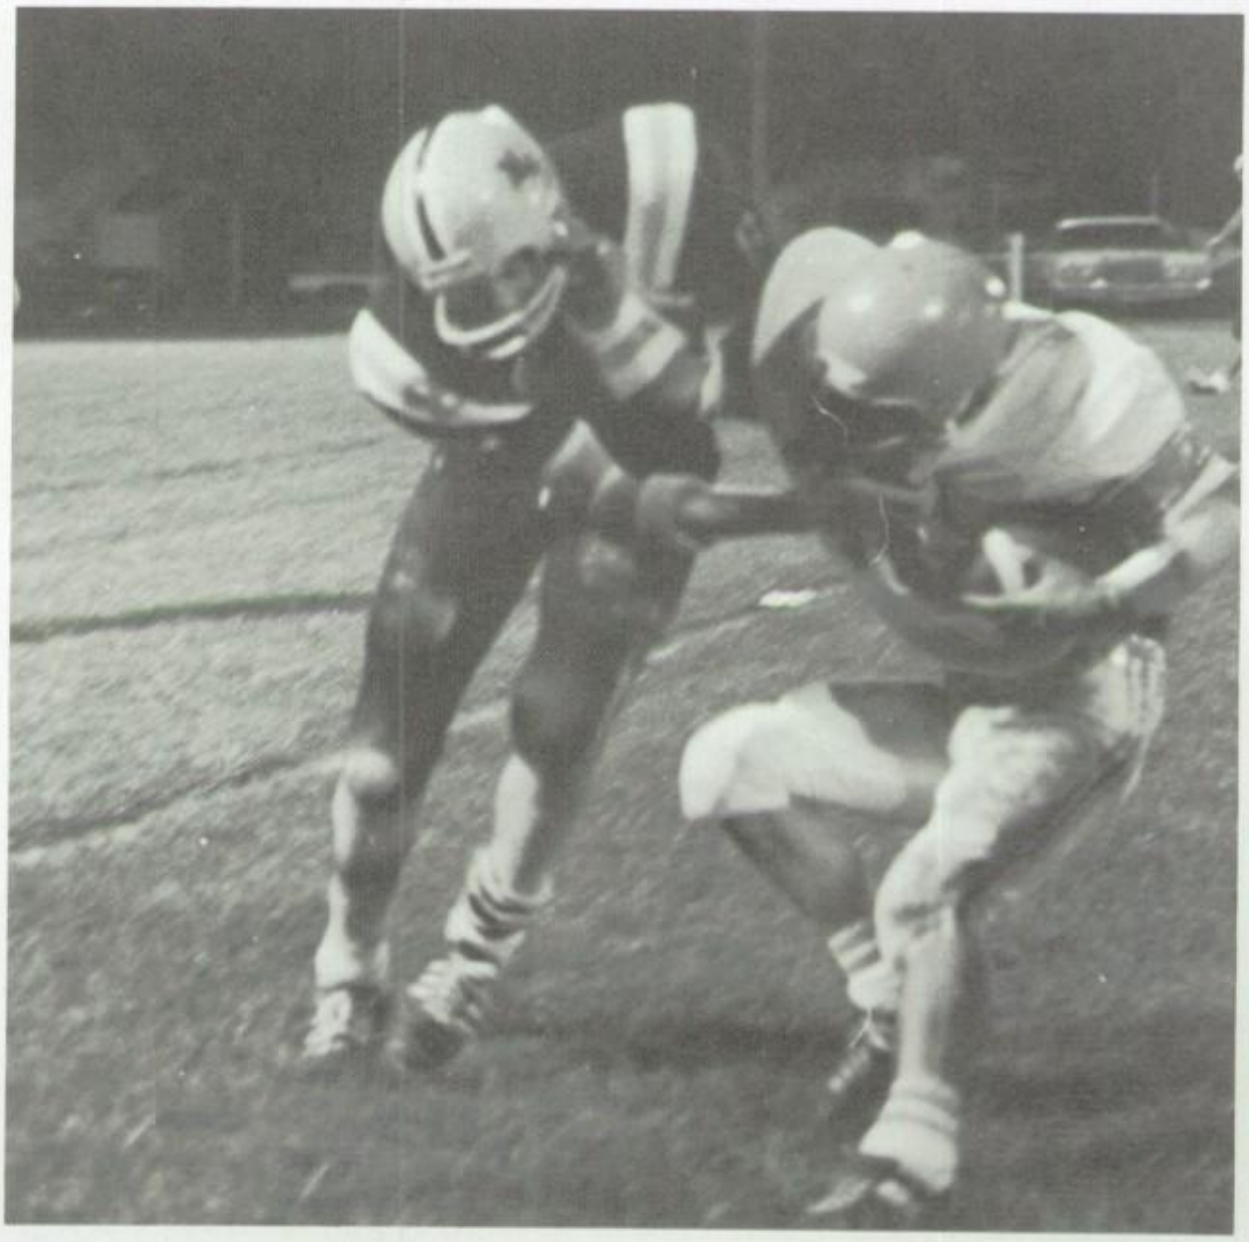
Goodland B-Teamers Improve Throughout Year

The GHS B-team football squad, coached by Mason May and Meredith Myers, finished the 1975 season undefeated. Six games, including two freshman-sophomore games, compiled the Cowboy B-team's unblemished record. The young Cowboys displayed an outstanding effort and allowed their opponents to score only 20 points, to their 113.



Lee Newell, sophomore quarterback for the Goodland Junior Varsity, lies immobile on the sidelines after a hard hit from a St. Francis defender.

Junior, Terry Winter, sprints around the end for a substantial gain as a Burlington defender closes in.



A Junior Varsity Cowboy guard from Goodland stops the forward progress of a Scott City running back as he ties to break away for big yardage.

The freshmen squad looks on while waiting to see if they have gained first down yardage on the way to a 34-6 victory.

Frosh Football Squad Finish Undefeated Year

The freshmen squad opened their first game of the season against Oberlin with a score of 20-6. This set the pace for the remaining seven games. Their ability and determiniation shined on throughout the season, as only three teams tested their defense by scoring.

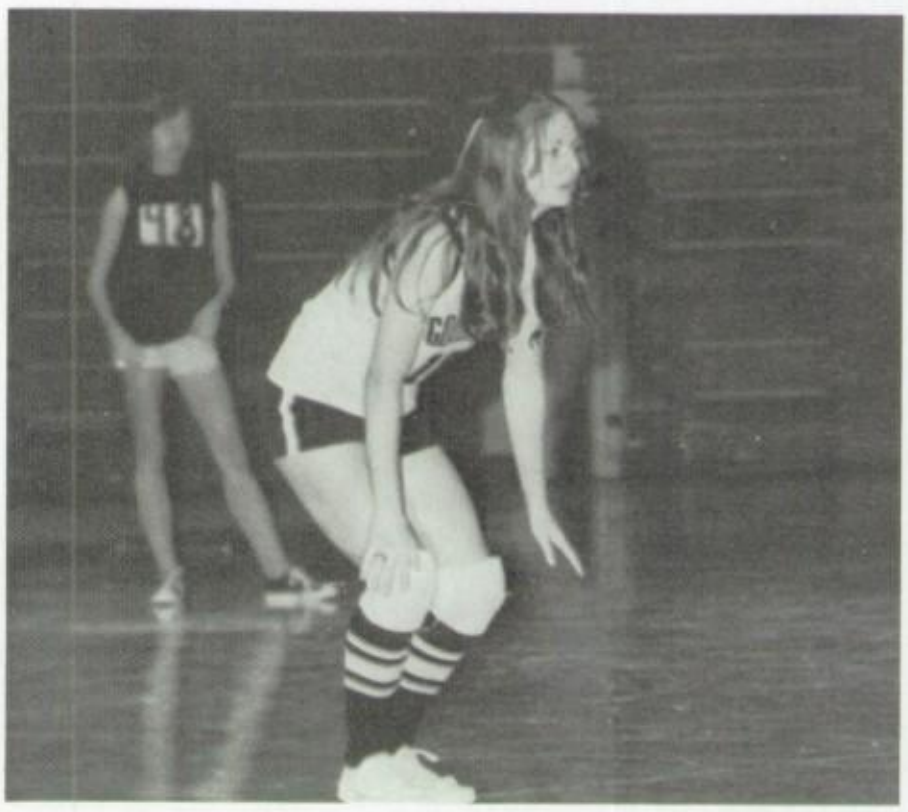
Martin Irons, freshmen back, follows an offensive blocker in an attempt to make big yardage against St. Francis in the last game of the season.

Spikers Place Second At Regional Tournament

The GHS girls Volleyball taeam finished an outstanding season in 1975, undefeated in league action. Fourteen girls lettered of 55 participating, including Kathy Chatfield, Diane Craft, Connie Dautel, Becky Elliott, Tammy McNeal, Jan Rethmann, and Pam Whisnant, the returning letterman, and Cathy Cole, Terri Garrett, Desi Friede, Sharon Odom, Kristi Sieck, Brenda Stewart, and Donna Zollinger. The remainder of the team was comprised of 16 freshman, 16 sophomores, 7 juniors and 2 seniors.

Coached by Sheila Stiles and Jackie Elliott, the girls were 7-0 in the league and 11-3 overall, taking fourth place in the Winona Invitational Tournament, and second in the Regional Tournament. The B- and C-teams also had winning seasons, with 6-1 and 3-3 records in the league and 12-2 and 4-4 records overall.



Jan Rethmann, Senior, readily awaits for the return serve of her opponent in the game against Oakley.

Tammy McNeal, Senior makes a return to the opponent as the ball skims over the net which enables Goodland to gain the serve.

Senior and returning letterman, Diane Craft, shows good form as she goes up to tap the ball over the net for another point.

Team Members of the Varsity Volleyball squad are: (BACK ROW) Brenda Stewart, Sharon Odom, Cathy Cole, Jan Rethmann, Desi Friede, Terri Garrett, (FRONT ROW) Pam Whisnant, Connie Dautel, Kathy Chatfield, Tammy McNeal, Becky Elliot.

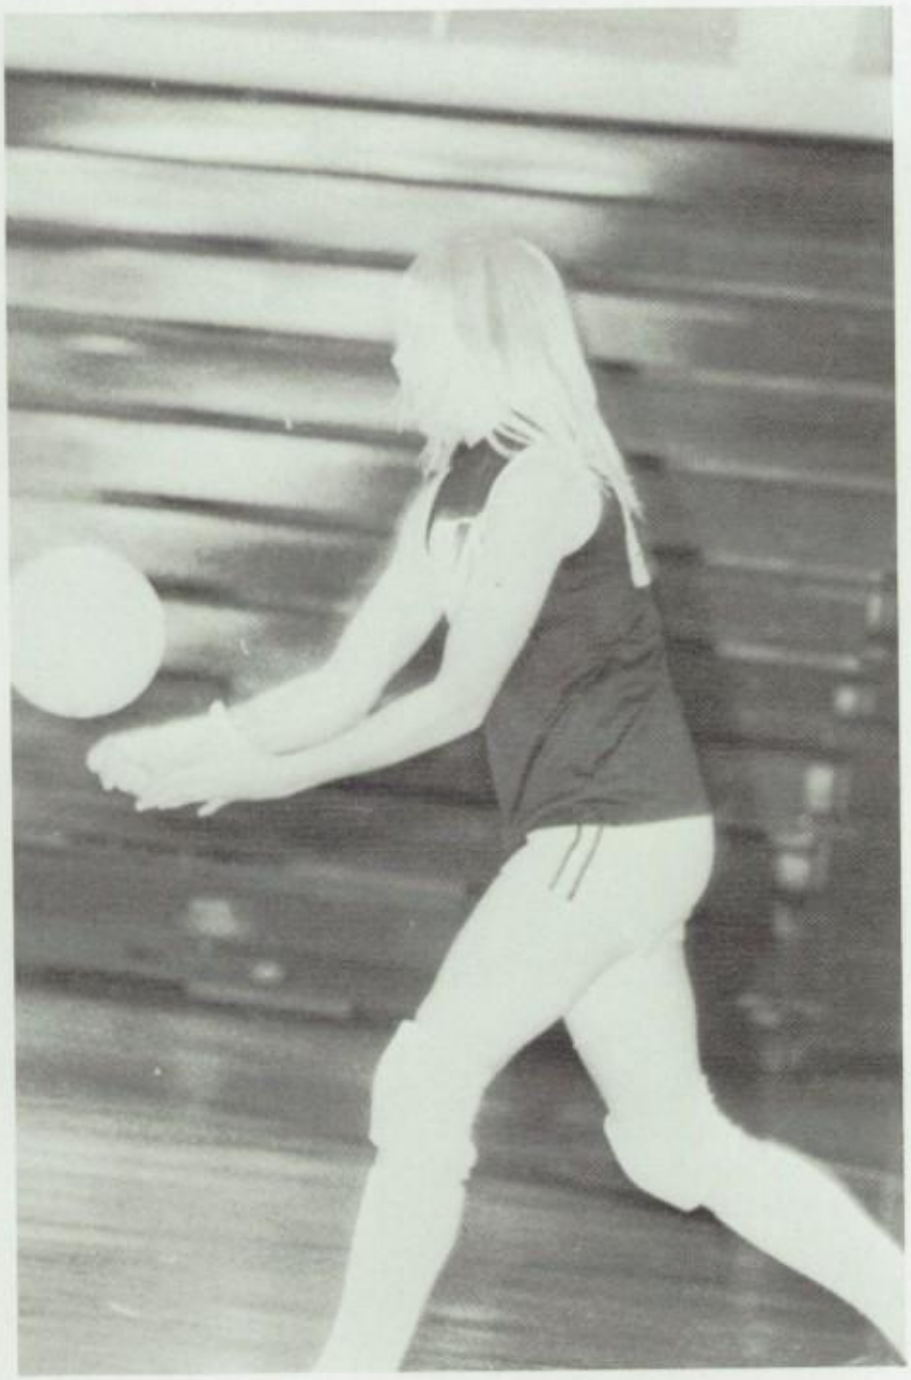
Freshman And Junior Varsity Girls See Action



Glenda Stewart, freshman spiker, gets ready to serve the ball to her opponents in a home freshman volleyball match.

Goodland High Schools B-Team Spikers ended a successful volleyball season with a record of 12-2.

Under the direction of Jackie Elliott, Jayvees finished second in league with a 6-1 mark.

Coach Elliott, a graduate from GHS, also finished her first year of coaching volleyball by heading the freshmen team to a 3-3 record in league and a 4-4 record overall.

There were approximately sixty girls out for girls volleyball and of these 60, forty will be returning next year. This is good as Head coach Sheila Stiles and Coach Elliott will need this to keep up the tradition of good sound volleyball that Goodland has had in the past.

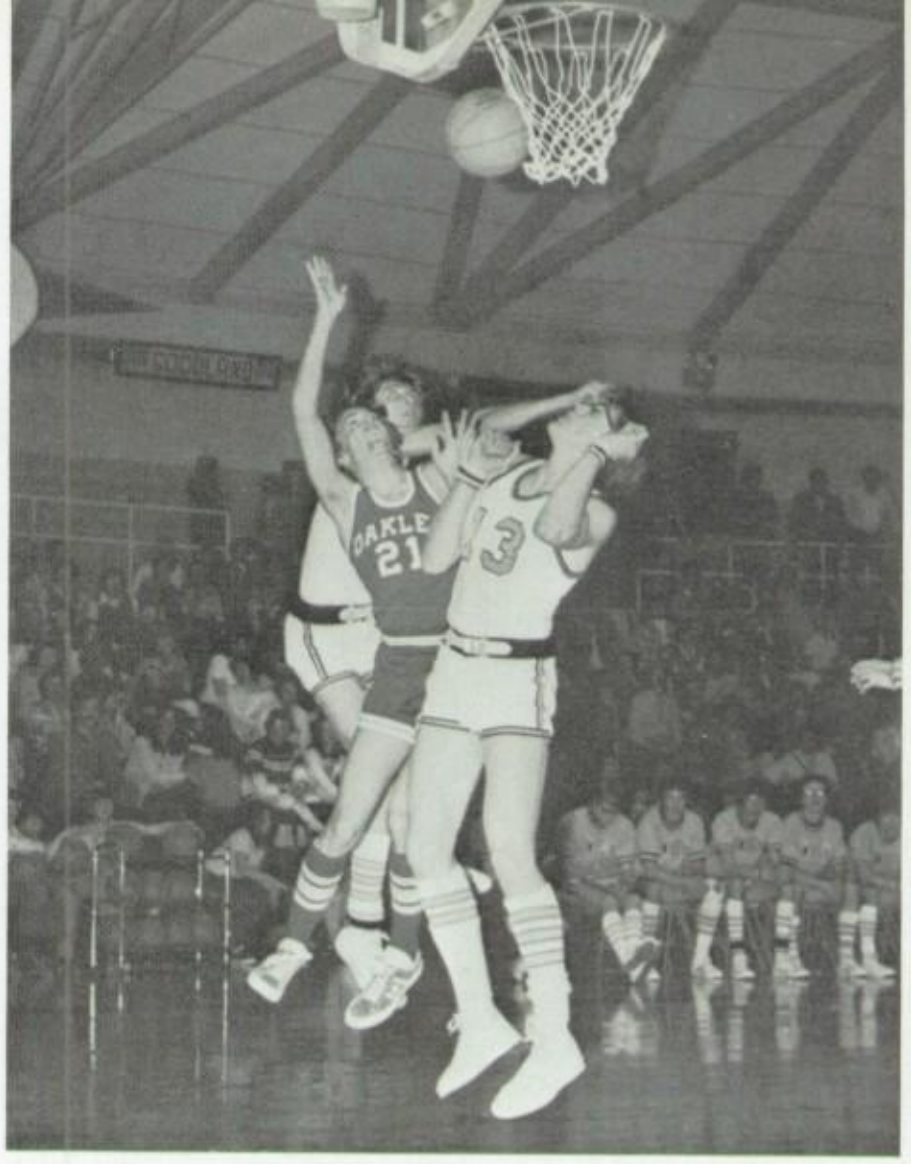
Cowboy Roundballers Face Tough Opponents

This year the Cowboys played a tough season in basketball, finishing with a 10-4 League record and 14-7 overall. The only teams they lost to were TMP, Oakley, and Colby.

They finished 3rd in League, only under Oakley and Colby who took first and second, respectively. At the Scott City Tournament, the 'Pokes finished a close third, right behind TMP and Oakley.

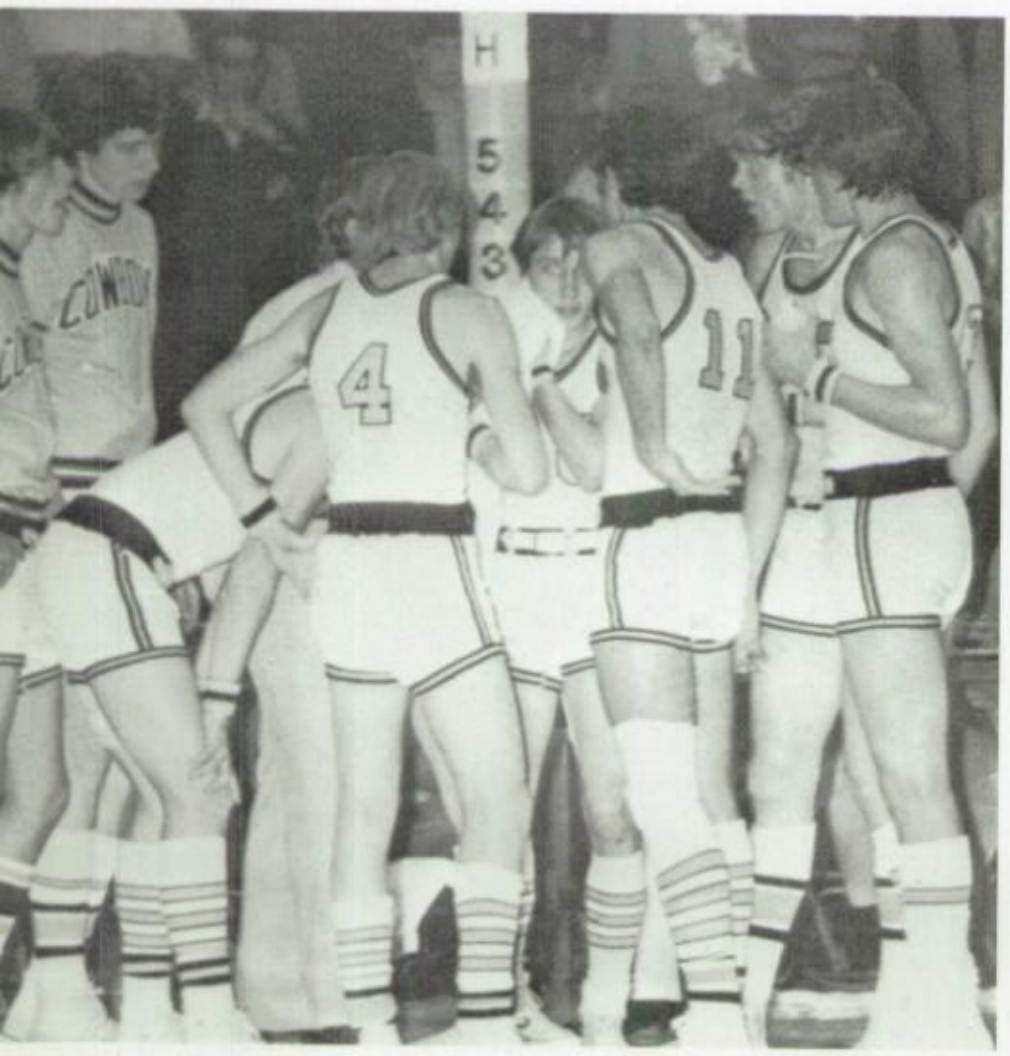
The 'Pokes started the season on a downslope by losing to TMP by a score of 71 to 50 but came back by winning to Norton, St. Francis and Oberlin. But right after Christmas vacation the cagers lost to Colby by twelve points in a tough game.

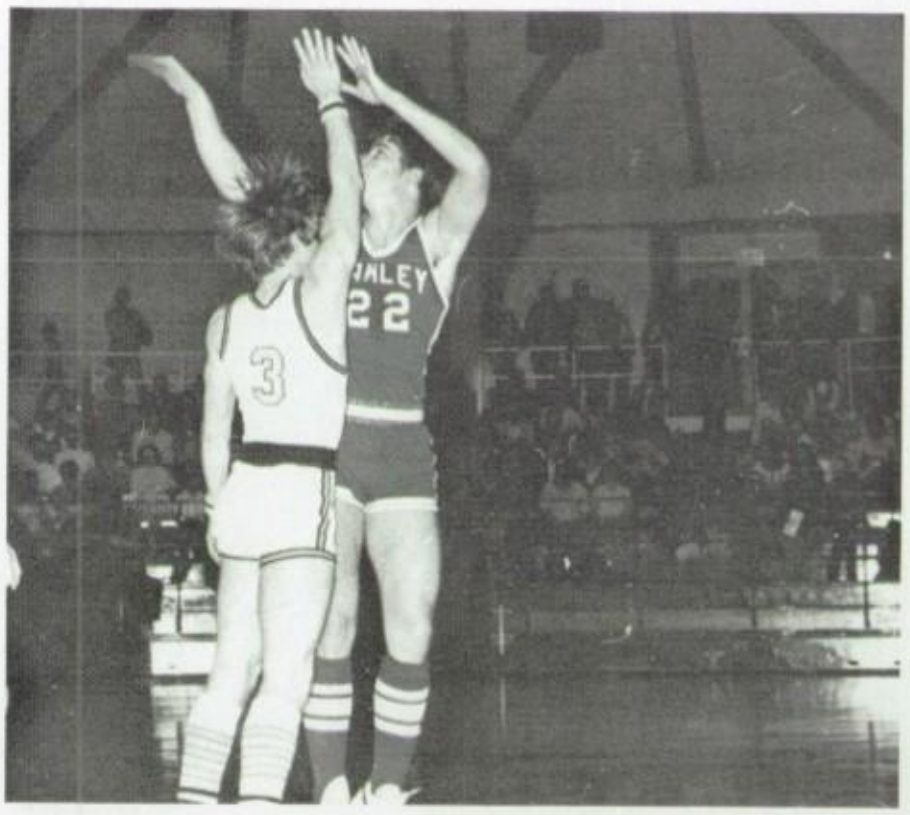
The high scoring player for the year was Mike Friede, with a 303 point season and a 14 point-per-game average. He also made the All-League Team, another high scorer, Tim Livengood made "Honorable Mention."



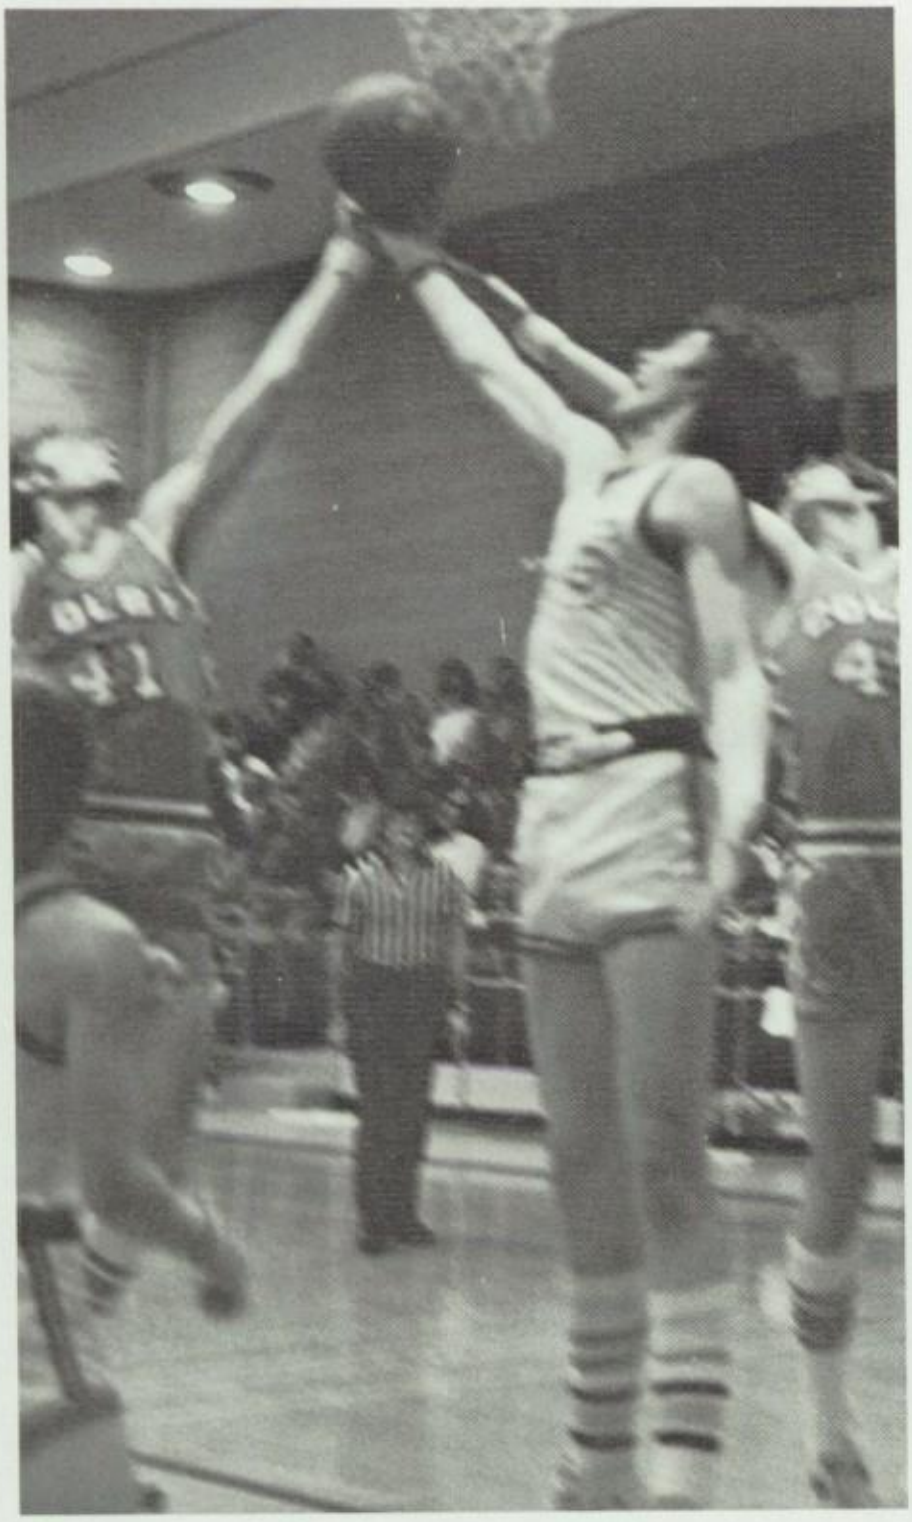
Senior Mike Friede and Junior Jerry Mastin have a tough time getting possession of the ball as they struggle with an Oakley opponent.

As the time-out is called, Coach Cordill huddles his players to discuss winning tactics to shake-up the opposing team's plays.





Seniors, Jerry Reitcheck and Mike Friede, get ready for the rebound as their opponent from Oakley fails to make a bucket.



Goodland senior, Tom Livengood, makes a successful attempt to block a shot made by Jennings of Oakley.

Tom Smith, senior cager, goes up for a rebound against two Colby defenders in one of the seasons close games.

On behalf of this year's Buckaroo staff, I would like to present you with the 1976 Buckaroo.

Many people helped in the production of this book and although I don't have the space to thank everyone, I would like to extend a special "Thank you" to the following people: Mike McMahon, although not on the staff, took many needed pictures, and he, like several other newspaper students helped put the finishing touches on the book; Darrell's Studio helped with film and pictures many times, and the GOODLAND DAILY NEWS and editor Tom Dreiling contributed greatly with copy and pictures. To the entire faculty and administration, and especially to the many advertisers who made the book possible, we wish to extend a special "Thank You."

And to the most helpful and beneficial person in the class, the staff and I would like to thank Bob Evans for his support, leadership, and time.

Sincerely,
Buster Showalter
